

FACILITIES & PLAYGROUNDS MASTER PLAN

WE NEED YOUR INPUT!

September 29th, 10am-4pm

Girsh Park

7050 Phelps Road, Goleta, CA 93117

Stop by our booth at the Lemon Festival and help us create a citywide plan to enhance our park facilities and plan for parks and recreation into the future!

The Goleta Parks, Facilities, and Playgrounds Master Plan will create a road map for addressing the City's aging parks and facilities. In order to successfully accomplish this goal, we need your input! What would you like to see in our parks? What might your recreation needs be in the future? What do you value in parks and recreation? Join us to help answer these important questions.
