OVERSIZE TRANSPORTATION PERMIT PROVISIONS AND CONDITIONS

1. **Responsibility of Permittee** - The permittee shall be knowledgeable and in compliance with all applicable California conditions, requirements, and laws for the use of the highway and roadway system and in particular movement of extralegal vehicles and/or loads.
2. **Possession of Permit** -This permit, with the **original** authorized City of Goleta representative signature, shall be carried in the vehicle to which it refers at all times while the vehicle is within the City of Goleta limits. (California Vehicle Code (CVC), Section 35783).
3. **Annual Oversize Permit** - In the case of an Annual Oversize Permit, a copy of the permit and all attachments, including supplemental list of vehicles, shall accompany each vehicle. The issuance of an Annual Oversize Permit allows one vehicle that is on the supplemental list of vehicles, to enter onto the roadways within the City of Goleta limits. **Only one vehicle at a time may be traveling within the City of Goleta limits under the Annual Oversize Permit.** The **original** permit and all attachments shall be produced upon request of a police officer or any authorized authority.
4. **Acceptance of the Provisions** - It is understood and agreed by the permittee that all conditions have been read, and understood. The permittee agrees to comply with all conditions.
5. **Carrier Identification Number** – The Carrier Identification Number shall be clearly displayed on any vehicle traveling under the authority of the valid permit.
6. **Authorized Signatures** - All authorized signatures of the City of Goleta, as required, shall be obtained on this permit before this permit is considered to be valid.
7. **Void Permit** - This permit is null and void and hereby declared non-existent by any of the following:
 - a. Any portion, part or section that is illegible, has been altered or if an attempt to alter is apparent, presented in the form of a reproduced copy that is not signed by an authorized representative of the City Goleta. **The original signed permit and all attachments shall be presented upon request.**
 - b. If used to represent proper authority for carrying a load and/or moving a vehicle by any company, not specifically named on the permit.
 - c. If used to represent authority for carrying a load or moving a vehicle before and/or after the times and dates authorized.

- d. If used to represent proper authority for carrying a load or moving a vehicle by any company, crew, or equipment not specifically named or organizationally related to the company, agency, or firm to which the permit was issued.
- e. Presented without the attachments/accompaniments firmly affixed or used by others than those that are specifically named or organizationally related to the company, agency, or firm to which the permit was issued.

- 8. **Permittee Agreement** - Acceptance of this permit constitutes an agreement by the permittee to observe and comply with all of the general and specific conditions on the face of the permit and its accompaniments.
- 9. **Verification** - The use of this permit is prima facie evidence that the driver has checked the load and/or vehicle and knows it to be within the limits as set forth hereon and has verified the routing accuracy. The vehicle and/or load authorized under this permit is subject to inspection by representatives of the City of Goleta.
- 10. **Insurance Requirements** - Prior to permit issuance, permittee shall provide to the City of Goleta a certificate of insurance, with endorsement (i.e., Forms CG20100704, CG20101185), naming the City as additionally insured.

Permittee shall procure and maintain for the duration of the Permit, insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Contractor, his agents, representatives, or employees. An insurance rating with a current A.M. Best’s rating of no less than A:VII will be accepted. Permittee shall maintain limits no less than:

| Liability Insurance | | | |
|--------------------------------|-----------------------------------|--------------------------------------|--------------------------------|
| Bodily Injury (each person) | Bodily Injury (each aggregate) | Property Damage (each occurrence) | Property Damage (aggregate) |
| \$1,000,000 | \$3,000,000 | \$1,000,000 | \$3,000,000 |
| Automobile Insurance | | | |
| \$1,000,000 | \$3,000,000 | \$1,000,000 | \$3,000,000 |

- 11. **Authority to Cancel or Change** - Notwithstanding any of the provisions of this permit, the police or appropriate road authority may change or cancel this permit and may cause the vehicle(s) and load to be removed from the roadway due to congestion or hazardous conditions being encountered as a result of the unit being on the road, and may require the operator to wait for an escort to continue the move. This permit does not relieve the permit holder/driver of the responsibilities of complying with all municipal by-laws regulating weights and dimensions of vehicles, as signed on the roadways.
- 12. **Indemnify and Hold Harmless** - In consideration of the issuance of this permit and other good and valuable consideration, the applicant, their heirs, executors, administrators, or assigns, hereby agree to indemnify and hold harmless, the City of Goleta from any action, claim, damages, costs (including legal costs) or loss whatsoever, arising from operations carried out under this permit.

13. **Overhead Clearance** - When height of load exceeds legal limit, it becomes the responsibility of the permittee to check all underpasses, overcrossings, bridges, overhead wires or other structures for impaired vertical clearance and to arrange clearance or request alternate routing before commencing travel.
14. **Liabilities** - The permittee is responsible for all liability for injury to, or death of person, or damage to property which may occur through any act or omission of either the permittee or the City of Goleta arising from the issuance of this permit. In the event any claim, suit or action is brought against the City of Goleta, its officers, employees or agents thereof, by reason of, or in connection with any such act or omission, permittee shall defend, indemnify, and hold harmless the City of Goleta, its officers, employees or agents from such claim, suit or action.
15. **Repair of Damage** - In accepting this permit, the permittee agrees to repair at its own expense and to the satisfaction of the City of Goleta Community Services Director, any damage to roadway appurtenances or structures resulting from travel under this permit. Notwithstanding, work or repair may be done by City of Goleta or its assignees at the option of the Community Services Director, the cost to be borne by the permittee. In the event of damage to facilities such as bridges, traffic signals, light standards and other appurtenances, within the City of Goleta, permittee must file a written report with the Community Services Department within 72 hours after such damage has occurred. Failure to make this report will be considered cause for cancellation of all permit privileges pending a satisfactory arrangement with the Community Services Department for repair or replacement of the damaged facility.
16. **Accident Reporting** - Accidents occurring while operating under permit and requiring a report to the Department of Motor Vehicles under CVC Section 16000 shall also be reported to the Community Services Department. A copy of the permit and accident report shall be mailed to City of Goleta, Community Services Department, 130 Cremona Drive, Suite B, Goleta, CA 93117 within 30 days of the date of the accident. Failure to mail these copies will be considered cause for cancellation of all permit privileges.
17. **Moving In Inclement Weather** - Movement shall not occur in, fog, rain or wind when visibility is restricted to less than 1,000 feet (304.8 meters). Movement is prohibited when road surfaces are hazardous due to weather conditions. In addition, manufactured housing shall not move when the velocity of the wind is such that it causes the vehicle being towed to whip or swerve from side-to-side or fail to follow substantially in the path of the towing vehicle. Any accident caused by excessive wind or weather conditions shall be considered a prima facie violation of this condition.
18. **Lane Use** - When practical, the vehicle shall be kept in the far right lane of the roadway and shall not encroach on shoulders except where necessary to allow trailing traffic to pass.
19. **Towing Disabled Permit Vehicles** - Disabled extralegal vehicles or extralegal combinations of vehicles, whose movement is authorized by a transportation permit, or any disabled legal vehicle or legal combination of vehicles which because of damage

has incurred distortion in width or height thereby causing an excess in legal dimensions may only be moved at the direction of a peace officer. Disabled overweight permit vehicles/loads shall only be authorized movement by a peace officer to a point where the roadway has been safely cleared. Movement of the permit vehicle/load beyond this point shall be completed under the authority of a City, County or State transportation permit, whichever is applicable.

20. **Warning Signs and Flags** - All loads/vehicles over 8'-6" in width, 80 feet in length or more than 10 feet of overhang shall display warning signs. Signs shall be posted on the front and rear of the vehicle or on the front of the lead vehicle and the rear of the back trailer with multi-vehicle combinations. Signs shall have black letters on a yellow background and comply with Section 502.9 of the Departments "Transportation Permit Manual". Flags shall comply with Section 25104 of the CVC.
21. **Movement During Darkness** - "Darkness" is defined in Section 280 of the CVC as being "...any time from one-half hour after sunset to one-half hour before sunrise...". Reference to "sunset" and/or "sunrise" on the permit includes this one-half hour grace period before and after sunrise and sunset.

The City reserves the right to modify, suspend, or revoke this transportation permit at any time.

This Permit is valid only within the limits of the City of Goleta. Applicants are responsible for any and all other agencies and/or municipalities while transporting oversized loads

**Transportation Permit
Special Conditions for
Loads and/or Vehicles Escorted by Pilot Car(s)**

1. Responsibilities

- Pilot cars maintain communications with the escorted load via two-way radio communication device.
- Pilot cars maintain a safe distance from the escorted vehicle to allow both passing and warning for other traffic.
- Pilot cars accompany the escorted vehicle over all operational California Highway Patrol (CHP) scale and inspection facilities.

2. Location

If one pilot car is required, the pilot car precedes the escorted vehicle on two (one lane in each direction) or three-lane conventional roads (as indicated on pilot car maps for brown, blue and green routes). When a pilot car is required for rear overhang (i.e. more than 25' 0"), the pilot car will follow the escorted vehicle on all routes. The pilot car follows the escorted vehicle on conventional highways having four or more lanes, divided highways, and freeways.

- The maximum number of pilot cars, on yellow routes, is one until width exceeds 15'0".
- If two pilot cars are required, one pilot car precedes, and the other follows the escorted vehicle.
- Pilot cars remain right of the centerline of the roadway at all times.

3. Equipment

Failure to comply with all regulations under law renders the vehicle and/or load out of service until all necessary repairs or additional equipment is obtained to meet said requirements. Regulations include, but are not limited to the following:

- Identification placards comply with the California Vehicle Code (CVC), Section 27904
- Warning signs comply with CVC 27904.5 and 35783.5
- Warning lights comply with CVC 25270
- Warning flags comply with CVC 28100
- Vertical Clearance measuring devices comply with CVC 28102 and 35252
- Additional requirements as outlined in CVC 28101

4. Restrictions

- It is unauthorized for a pilot car to stop, pre-empt, or impede opposing traffic.
- It is unauthorized for a pilot car to tow another vehicle while escorting a load unless it is specifically stated on the face of the transportation permit or permit rider.
- It is unauthorized for pilot cars to escort more than one vehicle and/or load at one time unless specified on the face of the transportation permit or permit rider.
- It is unauthorized to display STOP/SLOW sign paddles from the window of a moving vehicle.
