

CALIFORNIA STATE LANDS COMMISSION

PLATFORM HOLLY AND PIERS 421 STATUS UPDATE TOWN HALL MEETING

THURSDAY, NOVEMBER 15, 2018 • 6 – 8 PM

Goleta City Hall Council Chambers • 130 Cremona Drive #B, Goleta CA 93117

Last year, Venoco, LLC quitclaimed its interests in Platform Holly and the Ellwood Beach Pier leases. Since then, the Commission has been working to ensure that the facilities are secured, safe, and do not pose a risk to public health and safety and the environment. The purpose of this Town Hall is for Commission staff to update the community about the well plug and abandonment work at Piers 421 and Platform Holly.

Hosted by the California State Lands Commission
