

Goleta Train Station Area Master Plan Community Outreach Meetings

The City of Goleta is developing a new multi-modal train station next to the existing Amtrak platform on South La Patera Lane.

The City invites you to an open house to find out more about improvements proposed for the Goleta Train Station.

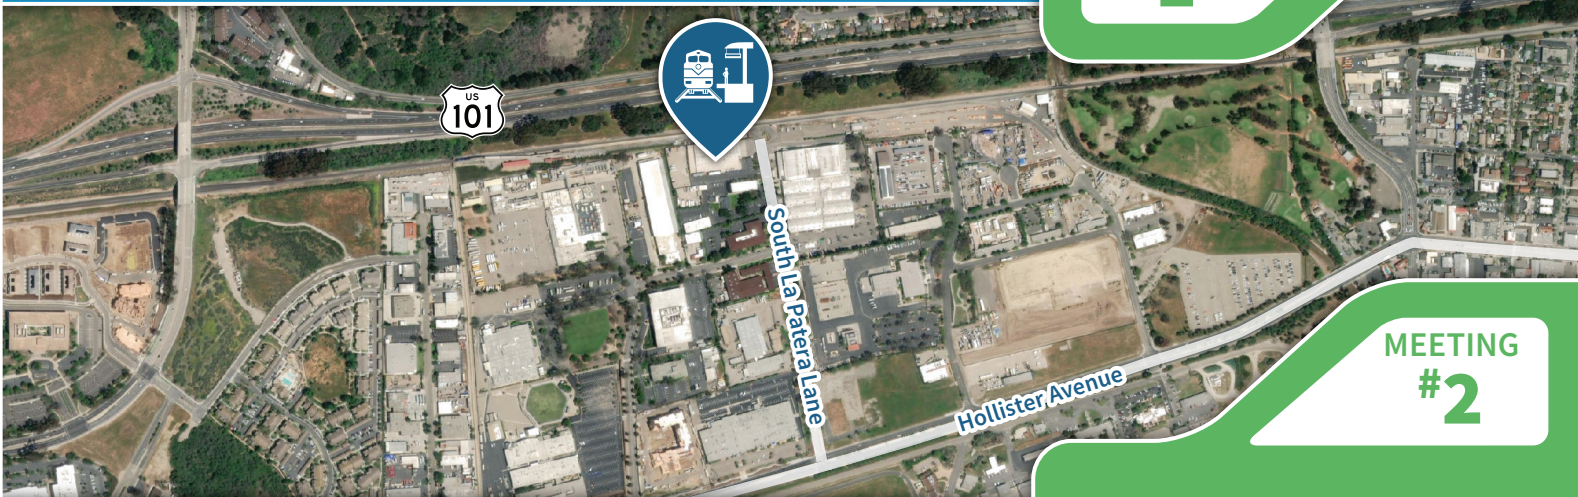

Please join us to:

- Learn about the status and limits of the proposed Master Plan.
- Help us understand your concerns and priorities.
- Share your insights and ideas on how the City can improve ridership, pedestrian and bicycle safety, and improve the train station area.

Thursday May 2nd, 2019
6:00 PM — 7:30 PM

City of Goleta Council Chambers
130 Cremona Drive, Suite B
Goleta, CA 93117

MEETING
#1

MEETING
