

UCSB Researchers Discuss UCSB Reads 2020 Book *Rising: Dispatches from the New American Shore*

Saturday, February 8, 1:00 PM

Goleta Valley Public Library Multipurpose
Room. 500 N Fairview Avenue, Goleta

In collaboration with UCSB Library, Goleta Valley Public Library will host a panel discussion with UCSB faculty about the 2020 UCSB Reads selection *Rising: Dispatches from the New American Shore** by Elizabeth Rush.

Q&A to follow the panel.
Free and open to the public.

Panelists: Sarah Anderson (Bren School, Political Science), Ed Keller (Earth Science), Eckart Meiburg (Mechanical Engineering), Monique Myers (Marine Science Institute) and Andrew Plantinga (Bren School, Economics),

*"The book on climate change and sea levels that was missing. Rush travels from vanishing shorelines in New England to hurting fishing communities to retracting islands and, with empathy and elegance, conveys what it means to lose a world in slow motion. Picture the working-class empathy of Studs Terkel paired with the heartbreak of a poet." —*Chicago Tribune*
