#	NOTES/NOTAS	DATE
---	-------------	------

City of Goleta Parks, Facilities & Playgrounds Master Plan "Final Draft"

1	Follow guidelines from the state and other cities regarding tree choices. There are too many olive trees being planted. Olive trees, along with Mullberry trees, have a rating of "10" on the OPALS rating system (the Ogden Plant Allergy Level Scale). A 10 is the highest level. (For comparison, cat allergies are about a 3 on the 0-10 scale.) The city of Albuquerque banned olive trees in public spaces after a child died. Pima County in AZ also banned the tree. The excessive use of this tree in town is just irresponsible due to its effects on allergies, respiratory problems and the risk that someone could have an anaphylactic event on City/public land. The city should invest some money on preventively replacing the trees with other low-allergy trees.	10/22/2018 11:52 PM
2	Create parks with easy parking. Allow parks to be open late for teens to have a place to play.	10/22/2018 10:15 PM
3	1) Add parks that have Trees with some shade like Stow Grove 2) Keep a few places wild, i.e. not handicapped accessible, like parts of Ellwood Mesa 3) More dog friendly parks - the one near Turnpike doesn't even need a fence because of its topography, and it's surrounded by street parking - that is ideal!	10/22/2018 8:45 PM
4	please stop building in every open space in Goleta!!! we need more green spaces all over the City! Clean up the beaches, litter control in parks, more code enforcement for nuisance codes to keep city clean and safe	10/18/2018 11:19 PM
5	Types of Park desired: Skate Park , Handball courts	10/18/2018 2:17 PM
6	Most : 8 Second Important: 5 Third: 6	10/18/2018 1:59 PM
7	enforce leash laws for dogs	10/17/2018 2:00 PM
8	Add more pickle ball courts	10/16/2018 9:08 PM
9	Thank you for the old town skatepark, it is a great start. My kids will enjoy it, but I am an older skater (43yo) and prefer the more surf-oriented skate obstacles such as enclosed bowls and pools, and the nearest such obstacles are in Ojai and San Luis Obispo. The south coast would greatly benefit from a regional skatepark, and would bring people to Goleta from all over California.	10/16/2018 8:26 PM
10	Work on dredging and removal of tule reeds from Lake Los Carneros, we will loose the lake in less than 20 years at the rate it is filling in. Please consider a plan to preserve this special space used by so many members of the community on a daily basis.	10/14/2018 8:01 PM
11	Find a good place for a Bicycle track/Velodrome - It would be a HUGE draw for the area! Greatly increase visitor and hotel room occupancy! Any questions I suggest City contact the City of Emmaus PA to get their info on the impact the trexlertown Velodrome had on the area and it's businesses. It is a great opportunity to become a unique and oft visited city in the area. With california weather, velodrome activites could easy be a 365 thing. But don;t take existing good park space nor 'open space' like ellwood mesa or Lk Los Caneros !!!	10/13/2018 6:32 PM
12	Update the neighborhood pocket parks and add new children's play equipment.	10/12/2018 9:47 PM
13	-maintain trails to avoid muddy spots where people/bicycles make new or wider trails around. -subsidize golf courses for local residents. -Open Dos Pueblos HS pool for year round open times for residents swim exercise or create new olympic size pool north of freeway. -prevent unleashed dogs on beach that disturb birds. -increase parking at Devereux Beach closer to bluffs. - Create walking/bike paths away from traffic -create walking/bike bridges across 101 freeway between current roadway crossings. -Create parking and access trails up into Los Padres Forest (Glen Annie, Fairview, etc) -create observatory area up in foothills to allow easy star observing at night. -create natural history museum, maybe new buildings at Lake Los Carneros.	10/12/2018 5:56 PM
14	Offer golf!	10/12/2018 2:25 PM
15	-Water the Redwoods more; some are dying. -Mowing pathways protect people/pets from ticks.	10/12/2018 8:59 AM
16	-	10/12/2018 8:46 AM

17	We need lower pricing/ more programs/ more facilities/ more locations for our youth, families and community members. I have always been of the opinion the Ice Rink has been an extravagant community expense and ONLY for those of much household disposable income. It is not something our local kids can afford without bleeding their parents for money. Nor is it a place for kids to go hang out, meet up aka occupy them b/n school and home, which has ALWAYS & CONTINUES to be desperately needed. A TRUE COMMUNITY CENTER. Question is...Does local citizenry and local government, etc KNOW how to instill, provide and nurture community... here's a hint: it is not a building for ice.	10/11/2018 10:19 PM
18	Create beach volleyball courts so people don't have to drive to East Beach. They don't actually have to be at Goleta Beach.	10/11/2018 10:15 PM
19	Stop destroying what was a nice town. Every morning the traffic jams and poorly planned traffic lights remind me how our leaders have failed us. No money to maintenance but you want to start more projects?	10/11/2018 10:03 PM
20	We ARE getting a new park in Goleta Proper. Just want it BIG and great Parking as to say to the community. " this is for everyone in Goleta not just the apartments across the street ". And surely parking will speak volumes to us! And a skate park. We drive all the way downtown for that activity! Maybe after our list is completed. In 8-10 years. A nice, I mean very nice art and craft show here in Goleta every Saturday as not to rival SB. And maybe even from 1-5. Which could lead people to finish up around 5 to dine out. And or, the art and craft show could have our youth have a booth or two or three. And have them sign up a month per youth. And perhaps go before a board for approval of their art or craft!	10/11/2018 6:53 PM
21	Create open space. Create a few trails. Do not create a lot of trails that require tending and taxes.	10/11/2018 5:38 PM
22	We need aquatic parks as well. Goleta, Haskell's and Hendry's beaches are over crowded	10/11/2018 2:57 PM
23	I don't know if it's a safety/liability issue, but there are hardly any playgrounds with swings anymore; so sad... need more swings!! Also, since ADA compliance requires playground material to be either rubber mulch or wood chips, the sand boxes are all going away, too. Double sad... I don't mean ADA compliance is sad, that's good, what's sad is no more sand boxes.	10/11/2018 2:22 PM
24	It would be nice to have places for preteen and teens to go for skateboarding and other activities. Right now, too many use neighborhood streets (including making their own ramps that sit on the street) - which is dangerous.	10/11/2018 2:20 PM
25	A real skatepark, like solvang	10/11/2018 1:58 PM
26	im aware of the small skatepark in old that hasnt opened yet, but for more experienced skaters this will not be enough. please consider a bigger skatepark with more advanced obstacles.	10/11/2018 1:46 PM
27	Although we don't have a dog, I think there is a big need for an off-leash area in Goleta. This is really because we end up with a lot of off-leash dogs running up to our kids when we are at the park, and they say there isn't anywhere for them to take the dogs.	10/11/2018 1:34 PM
28	Make beach access easier for people walking or riding bikes. The bike path to goleta beach is so dangerous.	10/11/2018 1:25 PM
29	Maximize open space. Keep Goleta as agricultural and low density as possible. Parks being a mix of playgrounds, open space, and fields are ideal (like Stowe Park).	10/11/2018 1:18 PM
30	Maintain or update very old or damaged play equipment, maintain the green spaces with no restroom facilities to keep transients from congregating in those areas.	10/11/2018 1:03 PM
31	Goleta needs a skatepark that is supervised so delinquents and drug users don't take over like like the SB one.	10/11/2018 12:52 PM
32	certified dog park where people and dogs can intermingle	10/11/2018 12:50 PM
33	Consider official carving out official fenced in dog parks thought city so as not to concentrate in just a couple or few neighborhoods.	10/11/2018 12:44 PM

34	Goleta desperately needs a very large sports complex with lights. As the Commissioners of Friday Night Lights Youth Flag Football League, we struggle every season to find fields with lights so that the kids can play. We have to turn away kids every season because the schools district only allows us to play until 7:30pm at La Colina Jr High, due to the neighborhood. Santa Barbara has run out of space. The youth sports leagues in town struggle to find space for the kids to play sports. Lights are essential as the only city fields with lights are Cabrillo Ball Field, which is too small to hold multiple games. Please consider building a large sports complex with lights in Goleta. I'm sure it would be well used year round. It would also increase exposure to local businesses in Goleta. I don't know if there is any space left close to Old Town, but it would be nice to bring people to that part of town.	10/11/2018 11:17 AM
35	Consider establishing a volunteer Park Watch Program, to assist the City with park maintenance, safety, and park user education.	10/11/2018 11:04 AM
36	Native plants and bird habitat	10/11/2018 9:23 AM
37	Continue to offer family oriented activities. With the increasing senior population, introduce activities targeted to/for that age group, particularly outdoor activities. Ample youth activity is available, not so for seniors. Providing opportunities, i.e. a playground for seniors, to keep us "moving" is important to our physical & mental health. So much senior activity is indoors at senior centers, not providing the environment to move as can be done outdoors.	10/11/2018 8:54 AM
38	Goleta valley community center could use a face lift. Parks are In Desperate need of newer more modern equipment. Added shade. I recently visited Fort Collins, Colorado They have amazing play structures, courts and amenities for the community to congregate and meet. Natural play areas around streams as well as moveable toys- zip lines and climbing structures. (I took video and pictures if you would like to view) If we have more neighborhood parks then people would be able to meet their neighbors. More free community events and programs, such as camps or workshops that bring families together.	10/10/2018 10:22 PM
39	Dog parks	10/10/2018 10:08 PM
40	Teen/Adult outdoor activities and equipment	10/10/2018 8:10 PM
41	Off leash dog walking areas with grass not dirt.	10/10/2018 7:43 PM
42	A recreation center for teens - arcade, ping pong, etc. with a swimming pool.	10/10/2018 5:49 PM
43	enforcing leashed dogs on trails	10/10/2018 5:29 PM
44	Off leash parks	10/10/2018 5:22 PM
45	PLEASE try to save what redwoods are left at Stow Grove. I see the gardeners come every week and they water the grass to overflowing, but the trees are bone dry. They need approximately 10 gal/day. (Ucanr.edu) I've lived here 50 yrs and the past ranger used to be out there every day watering and protecting the historical trees. If something isn't done soon our grandchildren may never enjoy the tree's coolness during the summer and fresh air year around. Please, I know we are in a drought, but can we divert some water to save these majestic trees?	10/10/2018 4:54 PM
46	Off-leash dog park	10/10/2018 4:10 PM
47	I just want our city to be more walkable. It often feels like we live in a concrete jungle and it would be nice to have pedestrian only areas.	10/10/2018 3:44 PM
48	Perserve and protect sensitivity habatit	10/10/2018 3:19 PM
49	FENCED free dog parks...by the Marketplace/Costco	10/10/2018 2:56 PM
50	We'd like to add hiking trails in Goleta foothills so we don't always have to go to SB to hike. Thanks.	10/10/2018 2:31 PM

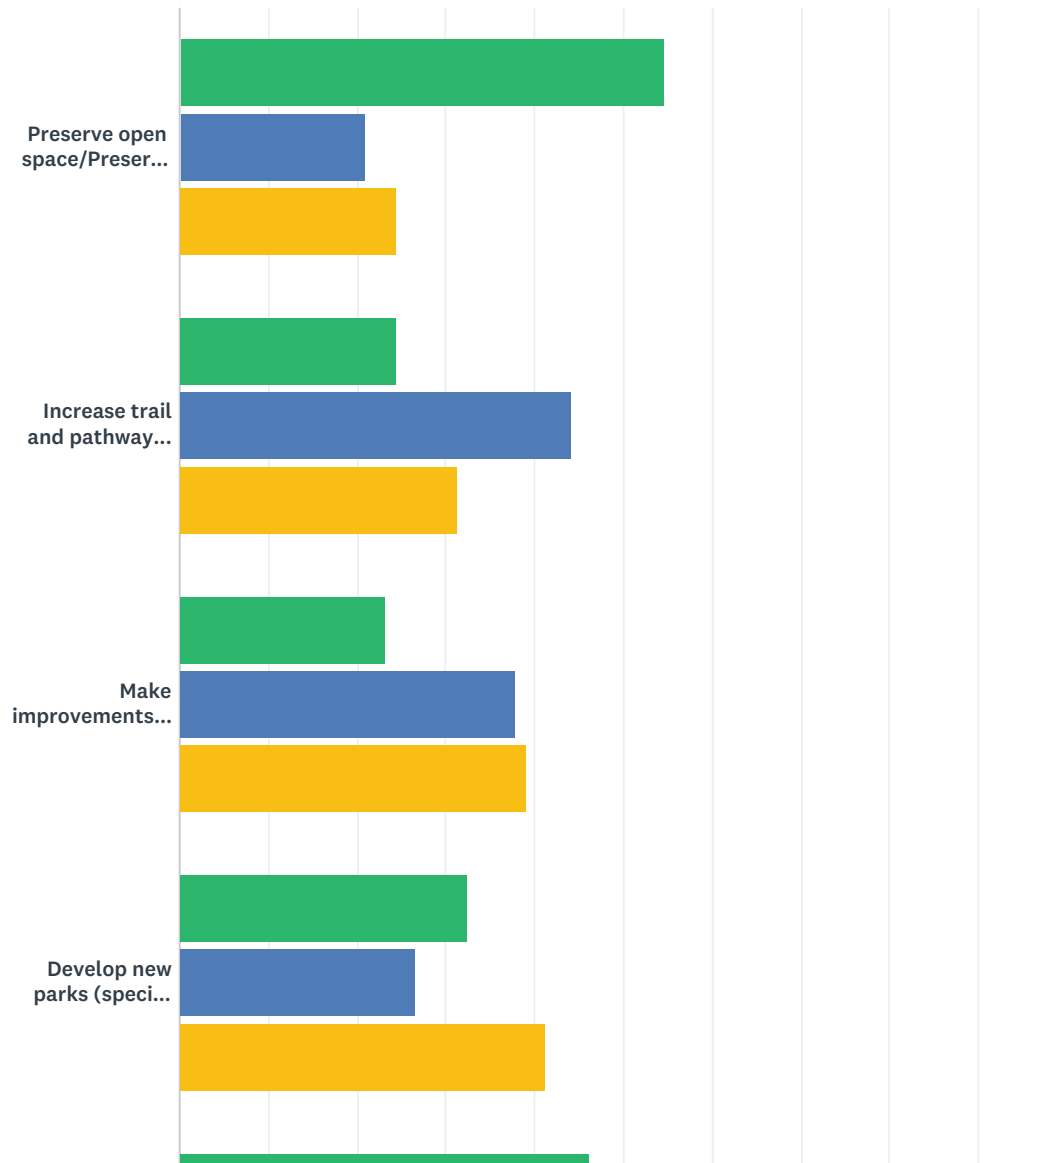

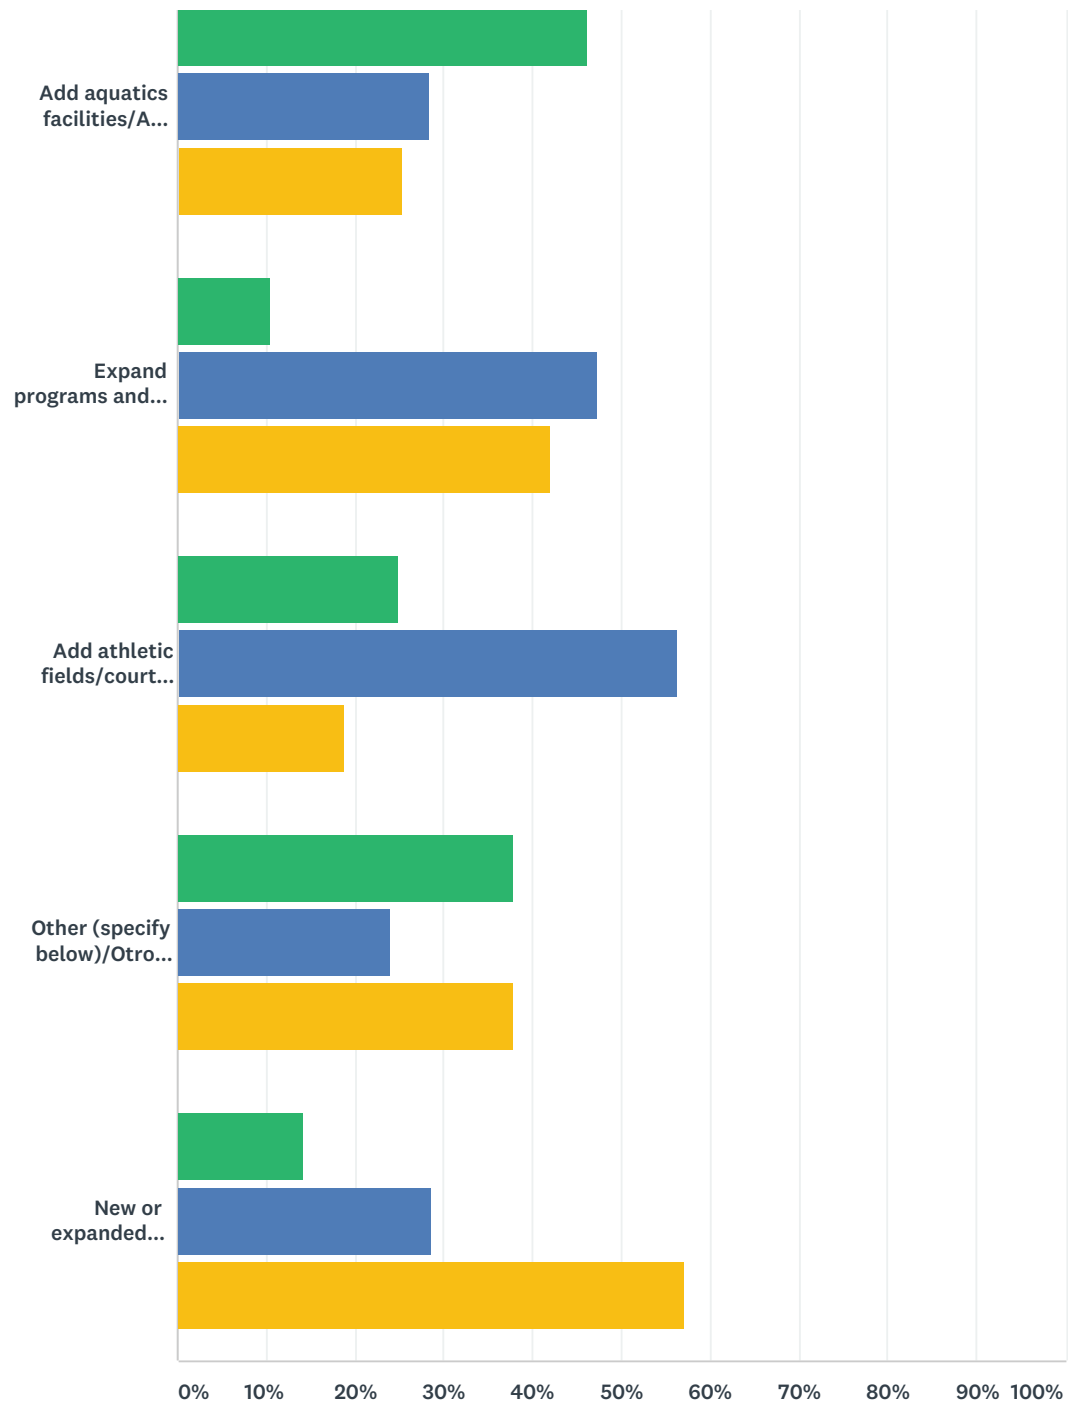

51	Pool	10/10/2018 2:17 PM
52	I have lived here all my life (50+ years), my children grew up here. We definitely need more events within Old Town Goleta, preferably at the Goleta Valley Community Center. It needs to be renovated, it has lots of history (prime location), where me and my sisters grew up (preschool, dance events, etc.).	10/10/2018 12:51 PM
53	Goleta has seen tremendous growth in its built environment. It needs to balance that with preservation of open space, riparian restoration, and green belts to ensure access to the natural environment. Preserve and restore riparian habitat	10/10/2018 12:44 PM
54	There is a great program in Seattle where residents can purchase solar panels on public buildings, recreation centers and parks. They get generous electricity credits over the years. This way, everyone could contribute to a carbon neutral environment even if you do not have the means to put up solar panels on your own home.	10/10/2018 12:27 PM
55	the more parks people can walk to the better the community	10/10/2018 12:02 PM
56	More accessible, trails, beaches and activities. Free fitness classes for seniors	10/10/2018 11:03 AM
57	We need skateparks. The one under construction in Old Town is too small, given the number of people who will use it every day.	10/10/2018 10:37 AM
58	Skate Park at Evergreen Park.	10/10/2018 7:30 AM
59	More dog parks (off leash), especially in Kellogg area. Pickle Ball courts in Kellogg area.	10/9/2018 8:09 PM
60	1. Enforce leash laws. Off-leash dogs are running rampant, frightening children and elderly, and destroying irreplaceable habitat. 2. Develop more neighborhood "pocket parks." 3. Resist the temptation to add infrastructure and "amenities" to natural areas and open spaces (Lake Los Carneros, the Ellwood Mesa complex).	10/9/2018 8:04 PM
61	provide more open space while protecting creeks	10/9/2018 5:31 PM
62	My response to many of these questions, except the last one, depends on what individual parks and open spaces you're targeting and how do you want to change them. I think better use of school grounds--more lights for night activities, for example--as well as judicious investments in equipment can expand different age groups ability to enjoy what we have now. The opaque process currently underway for spending undisclosed resources in new "play structures" and shade canopies in 8 City parks/open spaces is asking for trouble, in my opinion. The "public meetings" held on this plan so far have attracted minimal attendance and I doubt the online surveys have added to residents' understanding of what is proposed and why. The most recent consultant's survey o Goletans' wishes reported in the Monarch clearly shows what I've been hear around my neighborhood--invest in keeping and improving open space.	10/9/2018 4:44 PM
63	The Berkeley park had the swings removed a while back and nothing has been done to that park for the kids.	10/9/2018 4:10 PM
64	I believe our public spaces are of utmost importance, and in particular outdoor public spaces. Goleta Beach Park has been neglected, and it shows. I'd really love to see the beach brought back, and the recreation areas sodded with fresh grass and watered with recycle water from the Waste Treatment Plant.	10/9/2018 1:55 PM
65	Develop a skate park for Goleta residents.	10/9/2018 6:44 AM
66	k	10/8/2018 4:49 PM
67	Goleta is in desperate need of a community arts program and a performing arts center.	10/8/2018 12:21 PM
68	Please consider our disabled population. We have many kids in wheel chairs that cannot access our parks and beaches. Also many with sensory needs making many of our areas unsuitable for them and their families.	10/8/2018 5:35 AM

69	We need a protected dog park. When Girsh closed the enclosed dog area, but still allows agility training to happen there, it was a travesty for all concerned.	10/8/2018 5:32 AM
70	Add bathrooms to parks	10/8/2018 12:54 AM
71	Stow Grove Park Volleyball courts	10/7/2018 9:23 PM
72	More dog friendly off leash parks	10/7/2018 8:54 PM
73	Stop noise pollution due to flights not following proper flight paths. Clear out tent cities on the bluffs	10/7/2018 8:46 PM
74	More soccer fields need to be available	10/7/2018 8:36 PM
75	Control off leash dogs!!!! Establish dog free areas. I'm tired of being bitten, attacked, sniffed, slimmed and bullied by irresponsible dog owners and their undisciplined curs.	10/7/2018 8:36 PM
76	i think open spaces with lights would be great. there are few/no open spaces that can be used after sunset in the winter (outside of girsh park soccer turf). because of sunset and work hours there are few chances for adults to engage in outdoor recreation in goleta during the winter. also, preserving open spaces like elwood bluffs is critical to allowing easy access to undeveloped areas.	10/7/2018 12:48 PM
77	skateboard parks	10/7/2018 6:07 AM
78	skate parks! larger play ground structure that has art/architectural interest as in big cities that use play grounds as part of their city image by making them state of the art and interesting.	10/6/2018 7:22 PM
79	Skateboarding is growing in such a fast pace but the kids of Goleta are out of luck do to lack of places to practice. It is difficult for the average teen to travel down town to the SB skate park unsupervised. The kids of Goleta will thrive with skate parks throughout Goleta and it will keep them busy and out of the streets and better yet out of trouble!	10/6/2018 1:05 PM
80	Keep beaches accessible	10/6/2018 10:07 AM
81	Develop a proper skatepark	10/6/2018 9:55 AM
82	Other	10/6/2018 9:30 AM
83	Need Skateparks for all ages in different neighborhoods.	10/5/2018 1:56 PM
84	The people of Goleta need another skatepark. I understand one has been built on Kellogg. That one has very limited space for skater's actions while skateboarding. Imagine building a basketball court at half the size and putting at least 10 people on the court. It would be packed and crowded! Every skateboarder at a skatepark has their own individual goal(where basketball players are all focused on the same hoop). With each skater having a different goal, comes countless points of the skater's paths intersecting. That is why size completely matters when building a skatepark. Skateboarder's imagination of tricks/ways to get from one spot to another are endless! A bigger skatepark creates a safer environment for older skaters and younger skaters. The sport of skateboarding is going to continue to grow and more and more people in Goleta will be looking for safe and fun place to ride their skateboards. Please, please, don't stop with just the Kellogg Skatepark. The children, the students, the parents, and the people of Goleta will be in need of more safe places to skateboard. Thank you for taking the time to read my notes.	10/5/2018 1:29 PM
85	Build more skateparks for various skill levels / terrains. The upcoming skate plaza at Old Town Park , sized at 5400 sq. ft., is designed for beginners and far too small to accomodate the needs of City of Goleta's community. The average neighborhood skatepark starts at 10,000 sq. ft.	10/5/2018 12:59 PM
86	More playground equipment	10/4/2018 2:41 PM

Q5 Which three items from the list above are the highest priorities to your household? ¿Cuáles de los tres elementos de la lista anterior son las prioridades más altas para su hogar?

Answered: 180 Skipped: 34

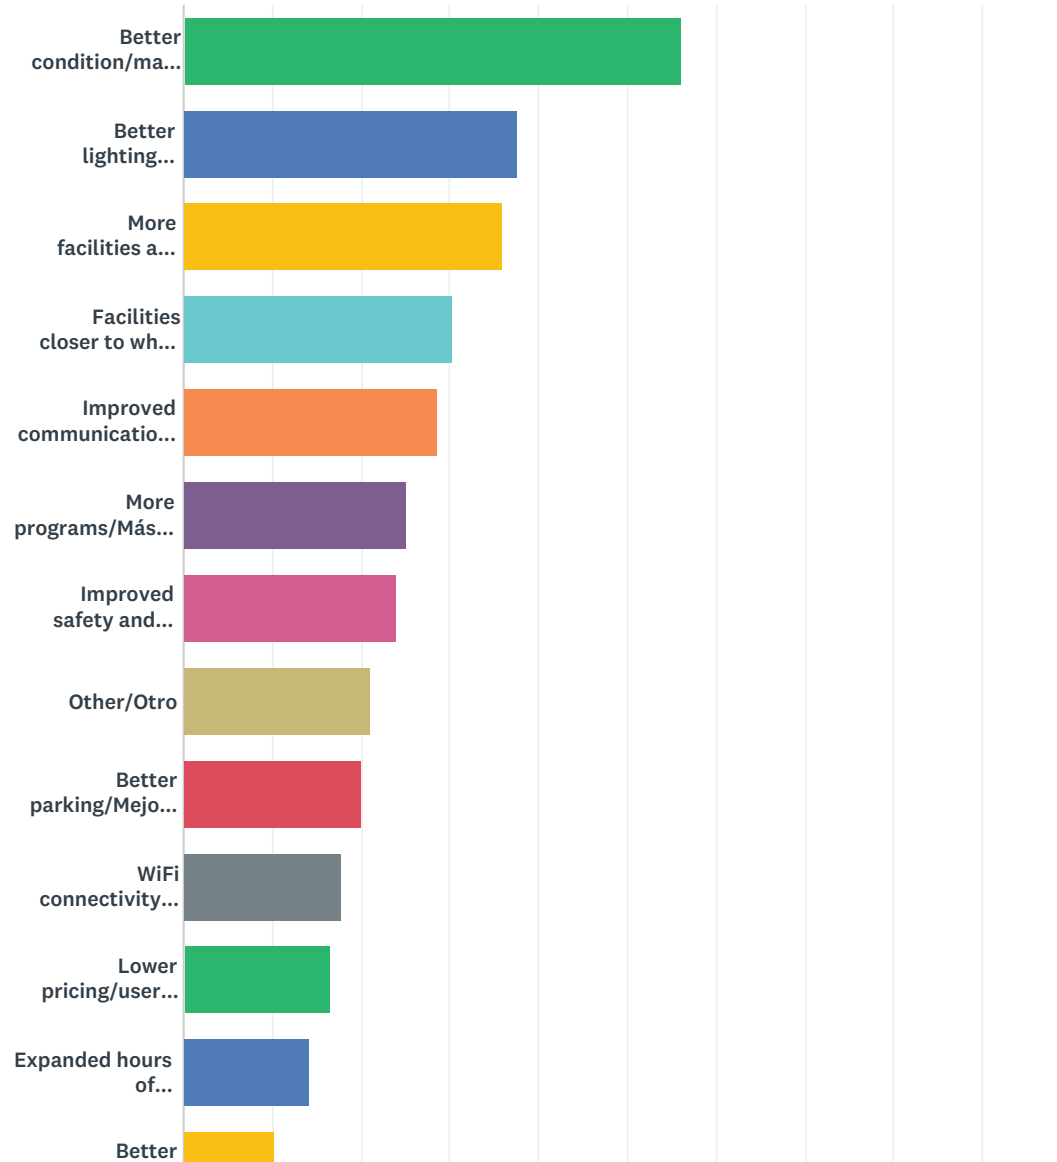

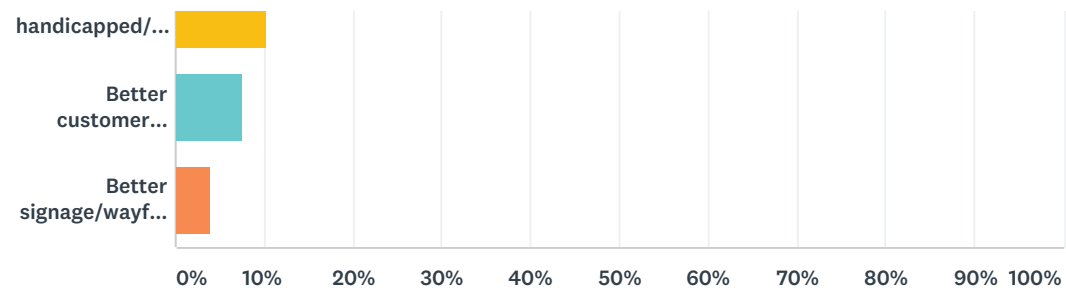

- Most Important/Más importante  
■ Second most important/Segundo más importante  
■ Third most important/Tercero más importante

#	RESPONSES	DATE
1	Get rid of the olive trees. Make parks more handicap accessible.	10/22/2018 11:53 PM
2	We have many hidden parks, we either need more hidden ones or information more available about the ones we do have	10/22/2018 8:46 PM
3	clean the beach parks, save Goleta Beach and NEVER let the county use it as a DUMPING ground again! RUined our beach for a year, I still won't swim there.	10/18/2018 11:21 PM
4	Pay Per Use of Pools	10/18/2018 4:33 PM
5	Let's Build a Skate Park and Community Garden	10/18/2018 4:11 PM
6	More swings and slides please. There is an open space between El Camino Elementary and Turnpike that could use some light and maybe a small park	10/18/2018 4:07 PM
7	Playground for adults athletic obstacle type stations w/ suggestions exercise	10/18/2018 4:03 PM
8	We would love to see some free use tennis courts and more public pools	10/18/2018 3:51 PM
9	Bathroom and Water Fountains at neighborhood Parks	10/18/2018 3:42 PM
10	Happy to learn about the new parks and plans.	10/18/2018 3:38 PM
11	Dog Park please, at Grisch or Ellwood Vicinity	10/18/2018 3:36 PM
12	More advertising in Goleta programs - Lemon Festival	10/18/2018 3:32 PM
13	Organize pick-up games.Activities to bring community members together more	10/18/2018 3:07 PM
14	Off leash Dog area - Open it again	10/18/2018 2:54 PM
15	I would love access to an outdoor surrounding pool. I love doing laps and gyms just to use pools are expensive.	10/18/2018 2:48 PM
16	Lower basketball courts for young kids	10/18/2018 2:24 PM
17	something Goleta has that I love are open spaces by the beach, more Mesa, Elwood, along UCSB & they are always clean. The bike path to Goleta should have better lights and repairs. Many would benefit from this	10/18/2018 2:19 PM
18	An Area where young and old can mingle. Play board games and sports, bikes pump track	10/18/2018 2:14 PM
19	Additional Bathrooms and trash/recycle would be great.	10/18/2018 2:00 PM

20	Isla Vista has had plans for a skatepark for decades with very little progress. This should be a top priority for both the student population and the local youth. Thank you! Viva Goleta!	10/16/2018 8:29 PM
21	Please have animal control occasionally visit Lake Los Carneros and cite those who don't pick up dog waste. Also put in animal proof trash bins so the crows don't pull the trash out. Love the new pickleball courts, thank you for that!!!	10/14/2018 8:03 PM
22	expanded facilities for non-organized activity would be great - especially for the very young. Better facilities for play by children 4 to 10 ish...	10/13/2018 6:35 PM
23	The bike lane on Hollister is not very safe. Cars pull out quickly into those lanes. As a regular cyclist, I still ride in the bike lane on the street but I am not comfortable with cars and would rather ride on a safe bike path. Goleta needs more offstreet bike paths. It would have been nice to put in a paved path from Ellwood Bluffs through the preserve, behind the houses, not along Hollister and connect that to UCSB paths. Also, the planter median on Hollister by the historic Oil/gas station has made cycling more dangerous. The lanes are too narrow for cars and the bikes have no where to go. Riding was much safer without the median. Please consider this for future medians throughout Goleta and think about expanding bike lanes if the medians are installed.	10/13/2018 11:38 AM
24	Need to replace playground equipment taken out of the Berkeley park and recreation area and restore it to a children's/ family park as opposed to the illegal dog park!!	10/12/2018 9:55 PM
25	keep communications up via email, etc.	10/12/2018 5:57 PM
26	Would love if you included adult golf lessons!	10/12/2018 2:26 PM
27	Stowe House area can be more receptive to leashed dogs during presentations, please. Also, have open public restroom facilities, daylight hours.	10/12/2018 9:08 AM
28	No	10/12/2018 8:46 AM
29	It would be valued to have eg SBCC/Adult Ed center in collaboration with UCSB in Goleta that offers art, and programs we had before state budget cuts... When SB's ad ed program was one of the best in the nation....That tapped the human resources of our vastly skilled and educated residents. I currently go to SB from Ellwood to play ping pong 3x a wk,that SB Parks and Rec. Its \$1 BUT it costs me !.5 gallons of gas - @ \$7 per trip =#21 + 3= \$24 a wk. Soo much fun but not sustainable - I am on food stamps/ discretionary income is VERY minimal. SOO MANY residents are on social services. Why don't we have that at the Goleta Community Center? etc. etc.	10/11/2018 10:32 PM
30	Need off-leash dog areas Need sand volleyball courts	10/11/2018 10:16 PM
31	Rifle & pistol range	10/11/2018 10:05 PM
32	Yes let's get this going. Toilets at Stow for sure! It's ridiculous. An outhouse next to a playground where very small children are playing and cannot control when the go and how to hold it for parents who do not want that type of bathroom and to run all the way to the other side. I bet not. The trees are too close! Lol	10/11/2018 7:03 PM
33	The parks are really outdated and need to be renovated like Santa Barbara has done.	10/11/2018 6:38 PM
34	Thank you for asking; I look forward to hearing about or seeing improvements in our local parks soon! Go Goleta!!	10/11/2018 2:22 PM
35	thanks for getting a skatepark built but this is a wading pool compared to the real thing. This is one area that can put the city on the map dont waste it on more basketball baseball or any other courts that are seasonal and arent tourist attractions.	10/11/2018 1:50 PM
36	Please dont make goleta beach or any goleta park have paid parking. We love spending time outside because it is healthy for us and we dont want to have to pay for that. Thanks	10/11/2018 1:27 PM

37	Overall I think the city is doing a fine job. The idea of a city pool is actually very appealing. Lots of land over near the airport that would be perfect for it (the old drive in location comes to mind). Playgrounds are also huge at parks. The more the better basically. I wouldn't mind more parks, more playgrounds, and more open space, but I also feel blessed with what we have. Oh. And a pedestrian over-crossing at La Patera going over the freeway. Might as well shoot-for-the-moon :)	10/11/2018 1:21 PM
38	Thank you for keeping the greenspace off Winchester and Calle Real mowed and clean.	10/11/2018 1:04 PM
39	Dedicated dog park, but not at the park behind Kellogg School. Too many kids passing through there. It should be at the open space up the street towards Cathedral Oaks rd. Should be fenced off to protect kids. But NOT behind Kellogg school.	10/11/2018 12:57 PM
40	WE NEED AN AQUATICS FACILITY	10/11/2018 12:47 PM
41	Be careful. Do not overuse existing neighborhood parks, to the detriment of close neighbors.	10/11/2018 12:45 PM
42	If you speak with other Commissioners (AYSO, YFL, club teams), they will also express the need for a large sports complex with lights. If we want our kids to get outside and play, we need to provide a safe, fun environment for them to do so. Feel free to contact us . Ted and Nevin Pallad (santabarbarafnl@gmail.com)	10/11/2018 11:23 AM
43	Thank you for sending out the survey and asking for public input.	10/11/2018 11:06 AM
44	Thank you for overall job well done.	10/11/2018 8:56 AM
45	I receive your email alerts. They are informative. Thank you for asking for input. Connecting the mountain side of the freeway with bike paths to Elwood/Camino real would be a great asset. I like the new bike path along hollister but extending it to sandpiper golf course and across the freeway to cathedral oaks would contribute to bike safety. Pedestrian overpass over freeway? Between Glen annie and Winchester canyon? I look forward to new and improved parks. We have such amazing natural beauty to take advantage of and be outside. Programs for teens! Thank you.	10/10/2018 10:28 PM
46	We need a field that can be used for Flag Football league, with lights and parking	10/10/2018 10:09 PM
47	I would love to help speed up the improvement of my local park, Andamar Park. Some type of community outreach program to get volunteers for projects could potentially speed up the project cycle and reduce some costs. I'm sure I'm not the only one willing to contribute, we live in an awesome community! Thanks for taking input.	10/10/2018 8:48 PM
48	My child is older now but when she was still using playground equipment I found myself wishing there were something like a "Parent Track" where adults could walk, jog or exercise while still in close proximity to the play area.	10/10/2018 8:14 PM
49	We need to save what remains of undeveloped land, and be sure dogs are leashed so people can be safe on trails and streets.	10/10/2018 5:31 PM
50	The Goleta Community Center is well overdue for a complete remodel and renovation to bring this center up to modern standards. Located in the heart of downtown Goleta surrounded by small businesses, young families and close to the Goleta Tech Hub companies, this is a great opportunity for the City to capitalize on creating a welcoming, multifunction center as a state-of-art Gateway to Goleta and work hub similar to WorkZones/Impact Hub with local business, family and entertainment events. Create activities here for diverse multigenerations, cultures and interests. Offer more office and event space here with modern, updated facilities including high speed internet, conference/meeting rooms, games/entertainment room, comfortable lounges, nonprofit space/hub and options for gathering a variety of folks together. First and foremost, hire an extraordinary Executive Director who will fundraise spectacularly to bring this to our community. We expect the City of Goleta to budget this position accordingly and provide seed funding to embark on this huge campaign.	10/10/2018 4:59 PM
51	Please see my comments about watering the redwoods at Stow Park. If they would have the water they need they would be less susceptible to disease. They are a big piece of Goleta's history! Thank You!!	10/10/2018 4:57 PM
52	no thanks :)	10/10/2018 3:47 PM

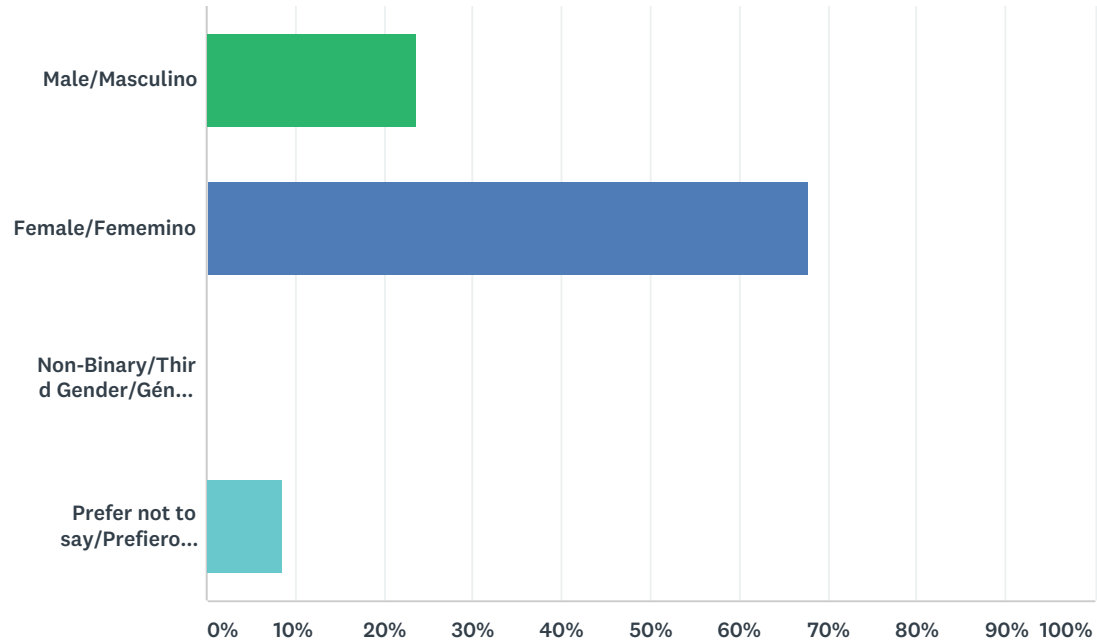

53	Perserve habitat and open spaces including watering plants and trees.	10/10/2018 3:20 PM
54	It would be great to have a fenced-in area dogs can run loose in in the Costco area of Goleta, that is free and safe for little dogs.	10/10/2018 2:58 PM
55	The park we most use has people using drugs there that is a huge problem. Both in the park and the creek beside it. Also homeless people seem to be increasing. We mostly go to park for kids afe 1.5 to 7 so play structures areas are most important to our family	10/10/2018 1:55 PM
56	There is a Porta-Potty at Evergreen Park that is across from my house and an eyesore. It needs to have plants around it like the one by the kiddie park 200 yards away	10/10/2018 1:38 PM
57	I think the City of Goleta is going in the right direction. I would like to see more emphasis on Old Town Goleta, it most certainly needs upgrades (upgrades, bike lane, parking, Community Center renovation/usage, parking lot upgrade with more signage for the safety of children that is never taken into consideration), especially for the many families with children who live in this area.	10/10/2018 12:56 PM
58	Goleta is fortunate to have a variety of ecosystems that serve as habitat for birds. The city needs to be proactive in nurturing, preserving, and restoring these habitats to ensure ecosystem health and longevity.	10/10/2018 12:45 PM
59	Please add N/A options in future surveys :)	10/10/2018 12:28 PM
60	Remember to communicate with seniors and Noleta residents	10/10/2018 11:05 AM
61	We need a better bike path on the fairview overpass, and on Hollister ave through Old Town. Also, the path along Los Carneros Lake needs to be repaved.	10/10/2018 10:39 AM
62	No	10/10/2018 10:24 AM
63	Protect and preserve the Ellwood Mesa trees and butterfly habitat.	10/10/2018 10:24 AM
64	Pocket parks in neighborhoods need or attention. Missing equipment and play structures	10/10/2018 10:12 AM
65	Do everything possible to truly "preserve" Goleta's two precious and irreplaceable preserves--Lake Los Carneros and the Ellwood Mesa complex. This means: (1) responsible and active management; (2) better monitoring and security; and (3) serious leash law enforcement.	10/9/2018 8:06 PM
66	Before any City funds are invested in the poorly thought out program of removing swings and adding children's play structures to our open spaces/parks, please reconsider what staff is doing and why. If only healthy children are to be served in some parks say so.	10/9/2018 4:48 PM
67	The Berkeley park needs to be updated since the swings were removed a while ago.	10/9/2018 4:11 PM
68	An aquatics park & a skate park would both add a lot to the offerings for Goleta residents. Also, creating safe & connected bikeways like the one past Costco on Calle Real will encourage healthy levels of activity.	10/9/2018 6:48 AM
69	My family is disappointed with how the eucalyptus trees were trimmed along Pebble Beach Drive. The trees were just topped off and dead trees were left standing. There is one tree that had bare branches that was cut. This tree was where birds would come back seasonally and use as their perch. Some just came back and were seen flying all around appearing to be trying to figure out where they were going to go.	10/8/2018 11:08 PM
70	DOG PARK for north Goleta!	10/8/2018 5:33 AM
71	Improve playground equipment at existing parks. Look to Santa Barbara's Kid's World as an example. If Goleta is where families live, we should have amazing kid play places in town	10/8/2018 4:14 AM

72	Need more bathrooms at the parks	10/8/2018 12:55 AM
73	More and more people today have dogs than in the past. Restaurants and hotels are accepting more and I think parks should have more areas for dogs also	10/7/2018 8:57 PM
74	Need more open spaces and stop building hotels	10/7/2018 8:39 PM
75	Making sure that all public bathroom stay open during park hours and maintenance	10/7/2018 8:37 PM
76	Good job. High five. Participation <input type="checkbox"/>	10/7/2018 8:37 PM
77	i am largely unaware of park/rec offerings from the city. that being said, we have some great facilities in my neighborhood (belle vista park) that my kids are able to use regularly.	10/7/2018 12:51 PM
78	new skateboard parks	10/7/2018 6:08 AM
79	Litter clean up is always an issue especially where homeless reside.	10/6/2018 7:54 PM
80	Which skateboarding on the rise the present day youth and future youth deserve multiple places to skateboard at throughout the Goleta city without being harassed or yelled at for doing so.	10/6/2018 1:07 PM
81	I am concerned about homeless activity on the Ellwood bluffs	10/6/2018 9:32 AM
82	Skateboarding helps people forget about all of their problems right when they step on their skateboard. It helps skaters set a goal and work to achieve that goal. Skateboarding is amazing. I, along with the people of Goleta would love to have more safe place to meet other people that that love skateboarding as much as we do.	10/5/2018 1:33 PM
83	Goleta needs a full system of skateparks to fulfill the various terrains and skill levels of local skateboarders. Also, a system of skateparks gives the city great active recreation options and programming possibilities benefitting the whole community.	10/5/2018 1:07 PM

## Q10 Please Indicate your gender/ Por favor indique su sexo:

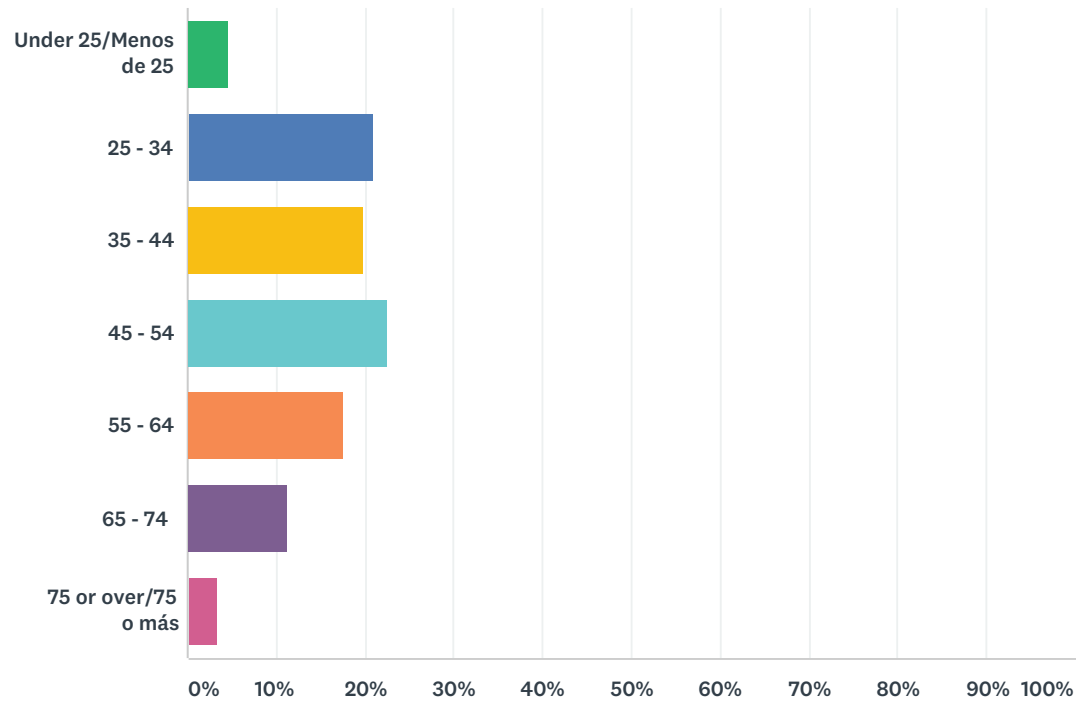

Answered: 177 Skipped: 37

ANSWER CHOICES	RESPONSES	
Male/Masculino	23.73%	42
Female/Fememino	67.80%	120
Non-Binary/Third Gender/Género no binario	0.00%	0
Prefer not to say/Prefiero no responder	8.47%	15
<b>TOTAL</b>		<b>177</b>

## Q11 What is your age? ¿Qué edad tiene?

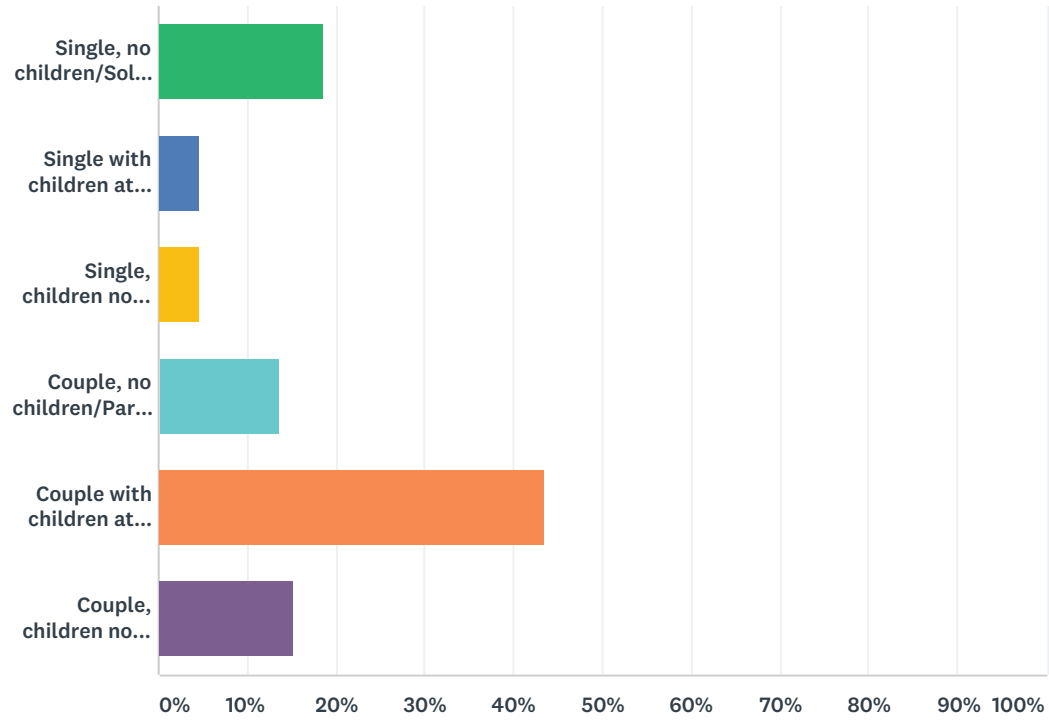

Answered: 177 Skipped: 37

ANSWER CHOICES	RESPONSES	
Under 25/Menos de 25	4.52%	8
25 - 34	20.90%	37
35 - 44	19.77%	35
45 - 54	22.60%	40
55 - 64	17.51%	31
65 - 74	11.30%	20
75 or over/75 o más	3.39%	6
<b>TOTAL</b>		<b>177</b>

## Q12 Which of these categories best applies to your household?

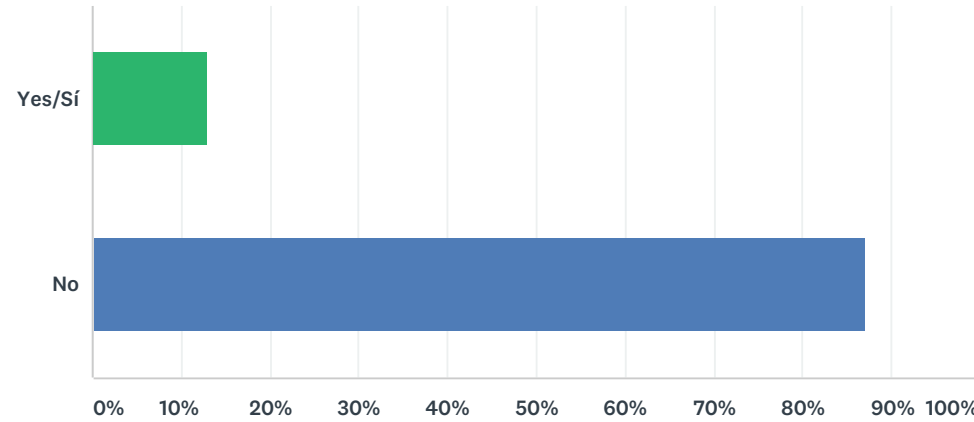

Answered: 177 Skipped: 37

ANSWER CHOICES	RESPONSES	
Single, no children/Soltero(a), sin hijos	18.64%	33
Single with children at home/Soltero(a) con hijos en el hogar	4.52%	8
Single, children no longer at home (empty nester)/Soltero(a) con hijo que ya no viven en el hogar	4.52%	8
Couple, no children/Pareja, sin hijos	13.56%	24
Couple with children at home/Pareja con hijos en el hogar	43.50%	77
Couple, children no longer at home (empty nester)/Pareja con hijos que ya no viven en el hogar	15.25%	27
<b>TOTAL</b>		<b>177</b>

## Q13 Are you Hispanic or Latino? ¿Es hispano o latino?

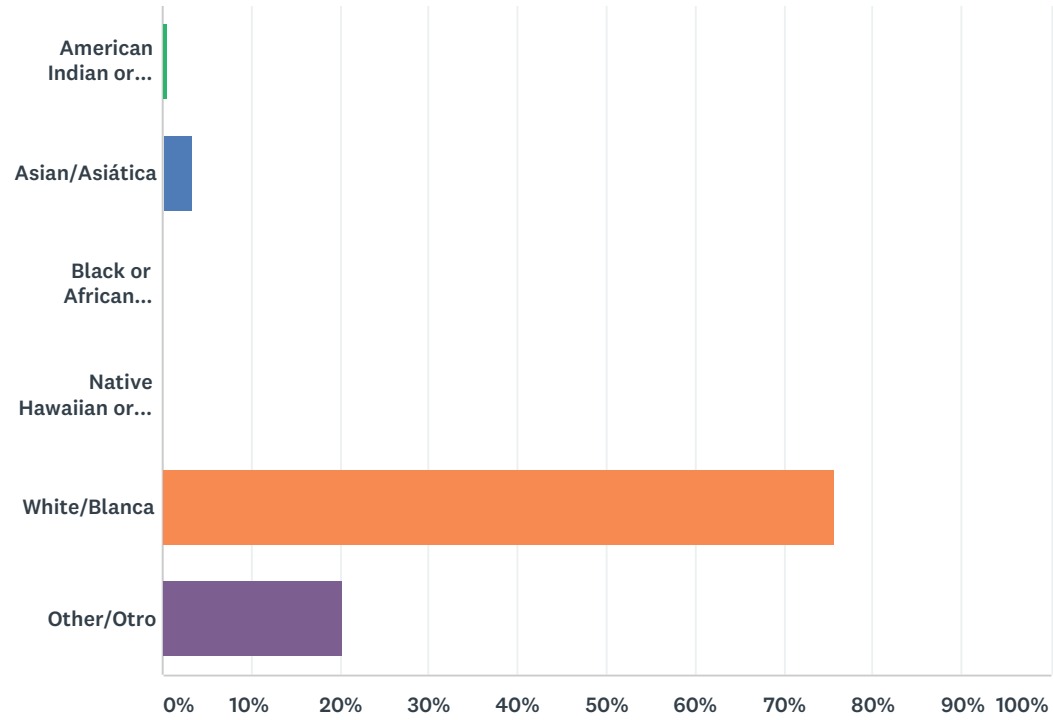

Answered: 177 Skipped: 37

ANSWER CHOICES	RESPONSES	
Yes/Sí	12.99%	23
No	87.01%	154
TOTAL		177

## Q14 What race do you identify as? ¿Con qué raza se identifica?

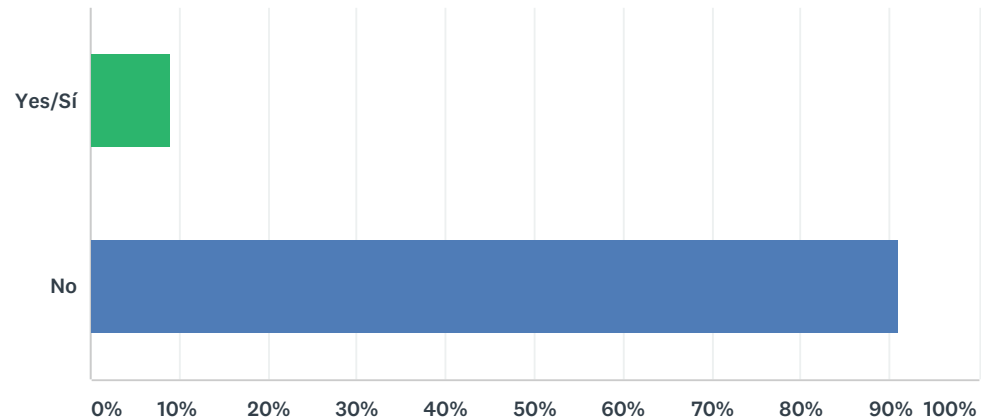

Answered: 177 Skipped: 37

ANSWER CHOICES	RESPONSES	
American Indian or Alaska Native/Amerindia o nativo de Alaska	0.56%	1
Asian/Asiática	3.39%	6
Black or African American/Afroamericana	0.00%	0
Native Hawaiian or Other Pacific Islander/Nativa de Hawái u otra isla del Pacífico	0.00%	0
