

**TO:** Mayor and Councilmembers  
**FROM:** Luke Rioux, Finance Director  
**CONTACT:** Tony Gonzalez, Accounting Manager  
**SUBJECT:** Annual Adjustments for User Fees and Charges

**RECOMMENDATION:**

- A. Conduct a Public Hearing on the Proposed User Fees and Charges; and
- B. Adopt Resolution No. 22-\_\_ entitled "A Resolution of the City Council of the City of Goleta, California, Rescinding Resolution 21-37, Approving and Adopting the FY 2022/2023 User Fees and Charges."

**BACKGROUND:**

On April 20, 2021, City staff presented the updated Cost Allocation Plan (CAP) and Comprehensive User Fee Study (Fee Study) to City Council. The fee consultant, Willdan Financial Services (Willdan), provided a detailed presentation on the cost-of-service methodology and analysis used to determine the full cost of providing City services. Based on the study, staff and consultants then presented the updated FY 2021/2022 User Fees and Charges schedule which included a 1.6% Consumer Price Index (CPI) adjustment. The City Council then adopted Resolution No. 21-13 adopting the updated FY 2021/2022 User Fees and Charges, which took effect on July 1, 2021.

On August 17, 2021, City staff presented various cleanup items and updates that were identified during implementation of the user fees into the permit tracking software. The City Council then adopted Resolution No. 21-37, amending Resolution 21-13, approving, and adopting the FY 2021/2022 User Fees and Charges.

**DISCUSSION:**

The purpose of this item is to provide updates to the adopted FY 2021/22 User Fees and Charges, which took effect on July 1, 2021 and were updated on August 17, 2021 and seek Council approval to charge the new recommended rates. A user fee is a payment made by an individual for a requested service that primarily benefits that individual. For the City, they are considered charges for services, such as planning related services or

services related to other City regulatory permits such as City business licenses, whereby those receiving the services from the City are required to pay the costs rather than burdening the residents. State law precludes charging more than the cost of providing the service. The updated user fees are based on a cost analysis and fee study performed by Willdan Finance Services that was finalized in April 2021 and adjusted for a CPI increase. The fee study determined the full costs incurred by the City for providing services and examined whether a reasonable relationship existed between the costs of providing services and current service fees, while ensuring compliance with Proposition 26, Proposition 218, and other applicable statutory requirements. A copy of the fee study can be found on the City's website. It is recommended that annual updates are made to the user fees, to account for any description updates or reflect any changes to the fee schedule and also consider inflationary adjustments to keep up with full cost recovery.

### **Process of Updating City User Fees and Charges**

Finance staff met with each Department and discussed their user fees to confirm any minor updates to descriptions for transparency or updates to their fee schedule. Fee updates can include changes in process or activity involved in that fee type. Please note that the recommended rates are rounded to the nearest whole dollar, with the exception of rates that are currently in cents. In addition, for clarity of the recommended change in rates and new fees, Attachment 1 - Exhibit A displays a column with the current rates and recommended rates with effective dates. This column with the current rates will not be a part of the permanent Exhibit to the adopting resolution, or a part of the User Fees and Charges schedule that will be posted to the City's website. Should the proposed rates be approved, the fees are recommended to be effective July 1, 2022, to coincide with the City's fiscal year.

### **Proposed Updates to the City's User Fees and Charges Schedule**

The following section summarizes the recommended user fee updates by Department and recommended CPI adjustment to applicable fees, to be effective July 1, 2022. The earliest effective date for fees that are development-related is 60 days following adoption of the fee.

#### **Finance and Administration:**

Staff included updates to the business license regulatory fees to clarify that the annual reestablishment or renewal cost is the same cost as an annual new license. Previously, it may not have been clear that it takes the same amount of reasonable time to process a business license, whether it may be a first-time application or a renewal application. Staff is recommending removal of the Tobacco Retailing Permit – Property Address Change Fee as this charge for service is already recovered through the existing Business Property Address Change (City Limits) Fee.

Library:

Changes incorporate adjustments to a few of the fees so that they are in line with the Black Gold Cooperative framework. Additional fees are included such as the Book Club Pack Replacement charge so that patrons are aware of the replacement costs. The State will be launching a new program in April 2022, the California State Library Parks Pass program. This program is a new pilot collaboration between State Parks and California State Libraries which will provide free passes to every public library throughout the state. Library patrons can check these out and use them for free vehicle day-use access to parks across the state. Staff is recommending including the replacement fee at actual costs should there be one. More information about the parks pass program can be found here: <https://www.library.ca.gov/services/to-libraries/parks-pass/>. In addition, a minor adjustment has been made to call out the cost of an additional hour for room rentals, whereas previously they were only mentioned in a fee comment.

Planning and Environmental Review:

Minor adjustments include updating the fee names for two appeal fees, Appeal of Building Permit and Appeal of Land Use Entitlement Permit. An Uncategorized Project Deposit based fee is recommended for instances when no other fee type may be appropriate. The initial deposit fee will be decided by the Planning and Environmental Review Director at intake and actual costs will be tracked and charged against the deposit. Staff is recommending the removal of "Work without a Permit," as this fee type is assessed through Building and Safety.

Public Works:

Staff is recommending various new inspection, permit and appeals fees to be included. The new fees include a new Minimum Inspection Fee to capture services given by the Public Works Inspector and two transportation permit fees that have been continuously charged and established by the state but never listed on our fee schedule. These two state regulated transportation fees include the Transportation Permit and Transportation Annual Permit. Additionally, trench fees and haul permits have been corrected to remove the documentation of a deposit as they are a flat fixed fee. An Encroachment Permit Appeal Fee and a Public Tree Removal Fee have been recommended to allow cost recovery on existing appeal processes. The appeal fees are supported by backup documentation, but they were calculated by the fully loaded hourly rate of each staff person's time plus any actual costs from a third party so that it captures the cost of other supportive operations staff and administration associated with the appeal. The Asphalt Cut Restoration Fees have been removed as services are already covered by other Public Works Fees. The Deposit Case Permit Issuance Fee is additionally being removed as there is no current process that requires it.

Neighborhood Services:

Staff recommends that the Non-Profit & School Use Special Event Permit remain unchanged at last year's price and not adjusted for CPI to promote utilization considering

the low activity within the past two years. Cleaning Deposits have been renamed to Security Deposits to ensure broader customer compliance of the site/event rules. The Goleta Community Center user fees that were presented to Council during the February 24, 2022 workshop have been added to incorporate the existing fees. Although management will not start until 2023, fees are recommended to be included so that staff may begin implementing procedures. Additionally, staff will work to reevaluate the fees as appropriate during next year’s annual update if needed.

Building and Safety:

Multiple plan review fees have been corrected to guarantee a minimum of two hours of staff time is paid. A minor adjustment has been made to call out the cost of grading permits for additional yardage, whereas previously the fees were only mentioned in a comment. This will allow for future CPI adjustments on that specific component of calculations. The Grading Bond price per cubic yard has been corrected to match the associated ordinance. Within the valuation tables, staff has updated the “disabled” descriptions to presently say “accessibility.”

User Fees Subject to CPI Adjustment:

Since 2010, the City’s user fees and charges continued to be adjusted and adopted annually by the prior year change in the CPI for All Urban Consumers for the Los Angeles-Long Beach-Anaheim area. In 2021 the annual CPI increased by 3.8%. Table 1 below summarizes the annual CPI history reported by the Bureau of Labor Statistics and includes the date the City’s CPI fee adjustment became effective, and the corresponding fiscal year.

**Table 1. Annual CPI for All Urban Consumers for the Los Angeles-Long Beach-Anaheim area (2012-2021)**

Year	Fiscal Year	CPI
2012		2.0%
2013		1.1%
2014		1.3%

*\*CPI adjustment made cumulative as soon as it passed 3%. On May 15, 2018, City Council took action to consider annual CPI adjustment going forward.*

A CPI adjustment to fees is a recommended best practice to ensure cost recovery keeps up with inflation. Furthermore, each year that transpires without modification of the rates to reflect the cost of doing business results in a loss of revenues that cannot be recovered retroactively and is therefore borne by the City's General Fund.

Staff has provided supplemental user fee schedules incorporating the 3.8% CPI increase. The schedule shows a side-by-side comparison and the potential changes to the fees if Council adopts the recommended user fees and the 3.8% CPI increase. These schedules are found in Attachment 1- Exhibit A.

It should be noted that not all user fees are recommended for CPI adjustment. This is due to fee limits per state mandates and local agreements with the County of Santa Barbara. In addition, staff is recommending that some of the special event fees remain unchanged for one year only to promote interest considering COVID-19 related precautions have discouraged applicants.

### **Public Notice Requirement**

The user fees include both development and non-development fees. A public hearing is required for fee revisions. A public hearing notice was published in accordance with California Government Code section 6066 for a hearing at this April 19, 2022, regularly scheduled City Council meeting to adopt a resolution that confirms and updates the user fees and charges. The notice was published in the Santa Barbara Independent on April 7, 2022, and April 14, 2022. Additionally, it was made available for public review on the City's website.

### **Effective Date and Future Fee Updates**

Staff is recommending an effective date of July 1, 2022, for all fees to coordinate with the City's budget and beginning of the fiscal year. Additionally, this will enable staff sufficient time to update forms, applications, website, and computer software as necessary for the fee updates.

It is a recommended best practice that a comprehensive review of cost of services and fees be performed every three to five years. The next Comprehensive User Fee Study and Full Cost Allocation Plan Update is anticipated to begin in FY 2024/25 and reviewed with Council in FY 2025/26.

### **Annual Fee Adjustment Issues**

The CAP and Use Fee Study were based on FY 2018/19 amended budgeted figures. Fees should be updated periodically to account for changes in costs and processes over time. The development and use of an annual fee increase mechanism normally provides a level of convenience and efficiency as staff does not have the time to recalculate cost recovery percentages on an annual basis and costs to have a consultant recalculate percentages can be prohibitive, yet the annual fee increase recovers some of the cost increases. In order to ensure that the City receives appropriate fee increases that reflect

the actual growth in cost, staff is recommending continued use of the current CPI factor which is the annual change in CPI of All Urban Consumers for the Los Angeles-Long Beach-Anaheim area, as produced by the U.S. Bureau of Labor Statistics. It should be noted though that other inflationary factors can be employed. Since the primary factor for the cost of a City's service is usually driven by the costs of personnel involved, trying an inflationary factor that connects more directly to personnel costs can be suitable if there is a clear method, or current practice of obtaining this type of factor. Staff will continue evaluating this in the future and will have future discussions with the Finance Committee.

### **Possible Fee Subsidies and Future Updates**

It should be noted that new fee subsidies were not taken into consideration when preparing this update, except for the fee subsidies previously adopted by past City Council action through prior adoption of fees or through ordinance. Those fee subsidies include reduced rates for nonprofits such as with special event permits, or fees associated with processing sign permits for businesses located in the Old Town Heritage District, which were eliminated. There are also various exemptions of fees related to film permits per the Goleta Municipal Code Section 12.05.040, where the City issues permits for student films and non-profit organizations with fees waived upon proof of student or non-profit status and insurance. The final suggested fee amounts were determined by each of the departments, with most fees are set at or near 100% full cost recovery.

There are no true policy-based subsidies on the fees being recommended as the City does not have a formalized Cost Recovery Policy and Fee Establishment Policy specific to its user fees and charges. We have included these new policies as an upcoming work program item with an anticipated target date of implementation of March 2023, pending staff capacity and workload this upcoming fiscal year. Staff is still impacted with other competing priorities and will continue this work effort in FY 2022/2023 and plans to bring back policies for review and approval in March 2023. The policies will include guidance on setting rates for rental and facilities and determining appeal fees that does not encourage nor discourage the filing of an appeal.

It is important for the City and public to understand that subsidies must be covered by another revenue source, such as the General Fund. Therefore, the general taxpayer will potentially help to fund private benefits, and/or other City services will not receive funds that are otherwise directed to cover subsidies.

### **FINANCE COMMITTEE REVIEW:**

The Finance Committee met to review the adjustments to the City's User Fees and Charges schedule on April 11, 2022. The Finance Committee provided their feedback and shared concerns on appeal fee costs. Staff discussed that as part of their upcoming FY 22/23 Annual Work Program, there are user fee policy related items on formalizing a cost recovery policy and fee establishment policy, which will have guidance on determining appropriate appeal fees.

**FISCAL IMPACTS:**

Approving the updated recommended user fees and charges discussed above will allow the City to improve its ability to seek full cost recovery for City services. Actual cost recovery is dependent upon actual activity in requests for those services.

It should be noted there are two fee types, including fixed or flat fees for services that do not vary greatly in staff time involved and deposit-based fees that allow for more precise accounting of costs on a project-by-project basis which helps ensure near 100% full cost recovery.

The fees that are deposit-based start with an initial deposit amount and charges are made when activity occurs. Depending on the activity relative to the deposit fee, additional deposits may be requested to ensure adequate funds are collected ahead of time before services are rendered. At the end of the service being provided, any unused deposit amount would then be refunded to the applicant.

Deposit-based fees are also the most staff time intensive as they require manual set up of accounts to track specific activity and user information, along with the process of refunding or billing an applicant.

In service activities that do not vary greatly in time, staff recommends flat fees. All user fees and charges in the study are at or near full cost.

Overall revenue increases are difficult to estimate, due to the change in activity levels from year to year, as well as pandemic impacts. At this time, staff projects the impacts to the fees could result in an increase of \$10,000 to \$100,000. Adopting these updated fees would help the City achieve its goal of full cost recovery. The majority of the City's user fees and charges are accounted for in the Licenses and Service Charges category and have ranged as low as \$1.5 million to as high as \$2.3 million since FY 14/15. The primary user fees that affect this category are related to building permit and development activity. For any rental activity, such as associated with park reservations or library room rentals, rental fees are accounted for in the Interest and Rent Revenue category. Pre-pandemic park reservations generated approximately \$16,000 and Library generated \$8,000.

**ALTERNATIVES:**

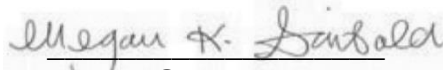

The City Council could take no action, thereby maintaining the current user fees and charges. The effect of not adopting the updated fees is the City would not be fully recovering costs for its services and would be subsidizing services from the General Fund. The City Council could also take action by approving only the description updates and new fees recommended by the departments and defer the CPI rate change.

**RESOLUTION NO 22-\_\_**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GOLETA, CALIFORNIA, RESCINDING RESOLUTION 21-37, AND APPROVING AND ADOPTING THE FY 2022/2023 USER FEES AND CHARGES**

**WHEREAS**, the City of Goleta (the “City”) charges fees for various services, permits, licenses, and regulatory activity provided by the City (collectively, the “Fees”); and

**WHEREAS**, in order for the Fees to cover the costs of providing the services, permits, licenses, or regulatory activity for which the Fees are imposed, many of the Fees must be adjusted to reflect reasonable estimated costs of service; and

**WHEREAS**, the City Council desires to reclassify its Fees and repeal resolutions to accomplish this goal, and now wishes to adopt the Fees as set forth in Exhibit A, effective July 3, 2022; and

**WHEREAS**, in accordance with Government Code section 66018, the City Council called a public hearing for April 19, 2022, for the purpose of receiving public comments to the proposed fees. Notice of the public hearing was given by publication in a newspaper of general circulation within the City once a week for two weeks commencing at least 10 days prior to the public hearing, with at least 5 days intervening between the first and last publication. On April 19, 2022 at the time and place set for the public hearing, the City Council heard and considered all oral and written presentations and comments made regarding the proposed fees; and

**NOW, THEREFORE, BE IT RESOLVED THAT THE CITY COUNCIL OF THE CITY OF GOLETA FINDS AND DETERMINES AS FOLLOWS:**

**SECTION 1. Findings.**

The above recitals are true and correct and by this reference incorporated herein.

**SECTION 2. Adoption of User Fees.**

The City Council hereby adopts the full City of Goleta Comprehensive User Fees and Charges Schedule described in Exhibit “A” attached hereto and incorporated herein by this reference. The Fees imposed by this Resolution shall take effect on July 1, 2022 and supersede any prior fees or charges imposed by resolution or otherwise by the City Council, to the extent such prior fees or charges conflict herewith.

**SECTION 3. Comprehensive Fee Resolution.**

This resolution shall be known as the Comprehensive Fee Resolution.

**SECTION 4.** The City Council called a public hearing on April 19, 2022, for the purpose of receiving public comments to the proposed fees. Notice of the public hearing was given by publication in a newspaper of general circulation within the City once a week for two weeks commencing at least 10 days prior to the public hearing, with at least 5 days intervening between the first and last publication. On April 19, 2022, at the time and place set for the public hearing, the City Council heard and considered all oral and written presentations and comments made regarding the proposed fees.

**SECTION 5:** The City Council finds and determines that:

- (a) The Fees established by this resolution:
  - (1) are imposed for a specific government service provided directly to the payor, or for reasonable regulatory costs of the City for issuing licenses and permits, performing investigations, inspections, and administrative enforcement of the City's Municipal Code or other rules or ordinances.
  - (2) are no more than necessary to cover the reasonable costs of the governmental activity for which the Fee is imposed; and
  - (3) the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor's burdens on, or benefits received from, the governmental activity for which the Fee is imposed; and
- (b) The Fees are not taxes within the meaning of California Constitution article XIII C, section 1(e).

**SECTION 6.** If any section, subsection, clause or phrase in this resolution or the application thereof to any person or circumstances is for any reason held invalid, the validity of the remainder of this resolution or the application of such provision to other persons or circumstances shall not be affected thereby. The City Council hereby declares that it would have passed this resolution and each section, subsection, sentence, clause, or phrase thereof, irrespective of the fact that one or more sections, subsections, sentences, clauses, or phrases or the application thereof to any person or circumstance be held invalid.

**SECTION 8.** The City Manager and Director of Finance are hereby authorized to take all actions necessary to implement and collect the Fees and the credit card convenience fee.

**SECTION 9.** Resolutions 21-37 is hereby rescinded.

**SECTION 10.** The City Clerk shall certify to the adoption of this resolution and enter it into the book of original resolutions.

# User Fees and Charges Update

City of Goleta  
City Council  
April 19, 2022

# User Fees Background

- User Fees are charges for services and regulatory fees – planning services, permit fees, library fees, business licenses
- Based on Cost Allocation Plan (CAP) and User Fee Study conducted by Willdan Financial Services presented on April 20, 2021, which took FY 21/22.
- Fees should recover costs
- State law precludes charging more than the cost of providing service.
- Public Hearing required with revision to its fees.

*A public notice was published for this hearing in the Santa Barbara Independent on April 7, 2022, and April 14, 2022.*

# Proposed User Fees Updates

- **Recommending CPI increase of 3.8% effective July 1, 2022**
- **Recommending new fees and updates that include description changes, price corrections:**
  - Finance and Administration Fees
  - Library Fees
  - Planning and Environmental Review Fees
  - Public Works
  - Neighborhood Services
  - Building and Safety

*Detailed updates are provided in Attachment A – Exhibit A*
