

**City of Goleta
Candidate Statement and Ballot Designation
Goleta City Councilmember, District 2
November 2022**

**JAMES KYRIACO
Ballot Designation: Incumbent**

As your councilmember I've brought years of trusted local leadership experience that's keeping Goleta healthy, safe, and fiscally sound. We've responded effectively to COVID-19, while protecting our environment, providing more resources for children and families, and being responsive to residents.

We're getting good things done in "Goleta the Goodland", achieving progress, and bringing people together:

Leadership: Added new parks, recreation opportunities, sidewalks, streetlights, and parking. Successfully advocated for millions from federal, state, and local partners to fix our roads, address homelessness, prioritize public health & safety, and revitalize our Goleta Community Center.

Environment: Passed new policies to protect creeks and watersheds while achieving our green energy goals to address climate change.

Vital Resources: Increased investments in affordable housing and childcare, library services, and support for local businesses.

Endorsements: Goleta Mayor Paula Perotte, Councilmembers Kasdin & Richards, Planning Commissioners Fullerton, Maynard, Smith, State Senator Limón, Supervisors Hartmann, Williams, and Supervisor-Elect Capps, the Goodland Coalition for Goleta and many other community leaders.

Future initiatives include new neighborhood parks, an Old Town Visioning Process, new diversity efforts, and transportation improvements including bike lanes and parking along Hollister Avenue.

I ask for your vote to ensure a safer, more sustainable future for Goleta.
