

# Street Sweeping Updates

City of Goleta

September 20, 2022

Dear Resident,

The City of Goleta wants to inform you of updates to the Street Sweeping program in Eastern Goleta. Please review the new schedule on our website linked below. We've also included a map of the new routes and schedule on the backside of this page.

If you have any questions, please reach out to the Environmental Services Division at [EnvironmentalServices@CityOfGoleta.org](mailto:EnvironmentalServices@CityOfGoleta.org) or call us at (805) 961-7575

## New Schedule Starting October 3rd, 2022

To better address trash and other debris on streets, the new Street Sweeping schedule will only include one side of the street on each sweeping day.

## New Voluntary Parking Restrictions

To allow the street sweeper to more effectively clean your street, please move street parked cars on your street sweeping days. The City appreciates your effort to helping keep Goleta clean and beautiful.
