

To Whom It May Concern at the City of Goleta,

I live at 7467 San Blanco Drive in Goleta, and my name is Brigitte Shrode. I have received the notices regarding the planned addition for my neighbor's house across the street (Alec Missel at 30 San Jano Drive).

After taking a look at all the information and speaking with Alec and his wife Stacey, I'm quite comfortable with the planned addition. A few things in particular:

- I like that this isn't a 2nd story planned addition
- I like that the addition is not an ADU
- I like that Alec and his wife Stacey are following the proper permitting processes

There's a fence in between my property and where the addition will be, so the addition will be mostly out of my view anyways. Feel free to contact me with any questions - 805 968 5715.

Sincerely,
Brigitte Shrode
