**Goleta Gardens LLC (SyWest) Development Agreement Second Amendment

**ATTENTION:** The meeting will be held in person and via the Zoom platform. The public may also view the meeting on Goleta Channel 19 and/or online at <https://cityofgoleta.org/goletameetings>.

**NOTICE IS HEREBY GIVEN** that the Goleta Planning Commission will conduct a public hearing to consider recommending to the City Council adoption/approval of a second Amendment to a Development Agreement (DA) between **Goleta Gardens LLC (SyWest)** and the City of Goleta. The date and time of the Planning Commission meeting is:

**HEARING DATE/TIME: Monday, July 24, 2023, at 6:00 PM**

**LOCATION: Goleta City Hall, 130 Cremona Drive, Goleta, CA, 93117 and Teleconference Meeting; this meeting will be held in person and via Zoom (with detailed instructions for participation included on the posted agenda).**

**PROJECT DESCRIPTION AND LOCATION:** The subject property (APNs 071-190-035) is an 11.71 acre parcel located at the south terminus of Kellogg Avenue at 907 S. Kellogg Avenue, within the California Coastal Zone. The site was formerly operating as the Westwind Drive-In Theater and Public Market. The property is zoned Service Industrial (I-S) and the land use designation is Service Industrial (I-S). The applicant proposes a second amendment to a DA that grants a license to the City of Goleta to use a private access road to the San Jose Creek Channel in exchange for an extension of the deadline to use the City's former zoning ordinance (Article 35 Coastal Zoning Ordinance) to December 31, 2024, for review of applicant's pending development proposal (Case No 17-121-DP-DRB). The first amendment to the DA changed the original timing of the DA to either the adoption date of the City's Local Coastal Program or December 31, 2023, whichever occurred first.

The project was filed by Robert Atkinson of SyWest Development on behalf of Goleta Gardens, LLC.

The Planning Commission will review and make a recommendation to the City Council on the second Amendment to the DA request. The City Council is the decision maker for the DA Amendment. The California Coastal Commission (CCC) has determined that the proposed second Amendment to the DA qualifies for a waiver and no additional CCC review will be required if the City adopts the Second Amendment.

**ENVIRONMENTAL REVIEW FINDINGS:** A Notice of Exemption (NOE) has been prepared pursuant to the requirements of the California Environmental Quality Act (Public Resources Code §§ 21000, et seq., CEQA), the regulations promulgated thereunder (14 California Code of Regulations, §§ 15000, et seq., CEQA Guidelines), and the City's Environmental Review Guidelines. The City of Goleta is acting as the Lead Agency. The NOE is appropriate pursuant to CEQA Guidelines §15061.b.3 because the act of approving a Development Agreement Amendment will not cause development of the project site itself but will change the extension timing to use the City's former zoning ordinance to either the adoption date of the City's Local Coastal Plan or December 31, 2024 whichever occurs first.

**CORTESE LIST:** The Project site is not listed on the EnviroStor online database of hazardous site records maintained by the California Department of Toxic Substances Control TSC in coordination with the California State Water Resources Control Board consistent with Government Code § 65962.5 (the "Cortese list").
