Hello,

My name is Sergio and I would like to offer the following comment about the meeting tonight. If any additional rezoning and housing is planned for western Goleta area, you HAVE to include a proposal to add an additional highway 101 access (on/off ramps) between Glen Anie and Winchester Canyon. The traffic situation at Glen Anie/Storke & Hollister is unbearable as it is and cannot take any more traffic.

Thank you for your consideration.
