Subject: Supportive of high density housing at Kenwood Village

To Whom It May Concern,

I am writing to express my support for the high-density housing project at the Kenwood village site. It is perfect infill property as it is supported by 3 sides of dense housing on Calle Real and the freeway is on the other side.

We need workforce housing in Goleta, as a business leader in the community for over 20 years this is the main reason that prevents our company the ability to grow and hire the required talent we need to stay in Goleta.

Please support approval of housing at the Kenwood Village Location.

If you need to reach out for more information, please do so anytime.

Thank you.
