Subject: Housing Element 2023-2031

The Honorable Council Members,

I oppose the proposal of adding 284 housing units in the area near Calle Real between Baker Lane and 7-11.

In this neighborhood, it takes two jobs for a middle-class family to afford housing. That means adding over 500 commuters within a few street blocks. The area around Glen Annie and Stoke between Calle Real and Hollister is already one of the most congested areas in the county. Such a surge in additional traffic will have a severely negative impact to environment and public safety.

Therefore, I urge you to vote NO.

Respectfully,

David J. Liu
