Subject: Proposed rezone for 625 Dara Road
Date: Friday, July 28, 2023 8:50:42 AM

To Whom it may concern:

I am against reasoning the above parcel to be high-density residential. This parcel is surrounded by single family homes and should be zoned consistent with the existing neighborhood.

High density residential should be located in areas closer to commercial uses and transportation corridors. There are better choices available to the city for high density housing.

Best Regards,
