I would like to request that 625 Dara Road, Goleta property be approved for the Senior Housing Overlay as requested by the owner and not be rezoned for RM. The Senior Housing Overlay is what the property owner wants and this type of housing will have much less impact on the neighborhood. Seniors will have less cars and less car trips and since they don't have school age children, Kellogg School will not be impacted like it would if the property is zoned for 84 regular residential units.

Best regards,

My wife and I have lived here since 1998 and our property is in very close proximity to 625 Dara Road.
