In order to implement Housing Element subprograms HE 2.1(a) (Residential Development Capacity to Accommodate the RHNA), HE 2.1(b) (By-Right Approval for Reuse and Rezone Sites), and HE 2.1(e) (Allowed Densities), amendments are proposed to other elements within the General Plan and in Title 17. These amendments include changes to Figure 2-1 of the General Plan and the City's Zoning Map to effectuate the parcel-specific changes listed below, as well as changes to certain development standards identified in subprograms HE 2.1(a), (b), and (e). ENVIRONMENTAL REVIEW: The environmental review for the Housing Element 2023-2031 amendments and implementation of the Housing Element 2023-2031 amendments through amendments to other elements of the General Plan and to Title 17 are addressed by an Addendum to the General Plan Environmental Impact Report (EIR). The Addendum was prepared to analyze potential changes in environmental effects associated with the Housing Element 2023-2031 amendments as they relate to the analysis in the General Plan EIR. Pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15164(a) an addendum to a previously certified EIR is appropriate if some changes or additions are necessary but none of the conditions described in CEQA Guidelines Section 15162 calling for preparation of a subsequent EIR have occurred.
