This hearing item also includes consideration of adding 449 and 469 Kellogg Way to the City's Housing Element 2023-2031 land use designation/zoning amendments listed in subprogram HE 2.1(a) and to the

Technical Appendix Residential Sites Inventory. Corresponding amendments are proposed for the Land Use Element of the General Plan and to Title 17 to facilitate high density residential housing for 449 and 469 Kellogg Way. These include land use designation and zoning changes as listed below:

Pursuant to CEQA Guidelines Section 15164(a) an addendum to a previously certified EIR is appropriate if some changes or additions are necessary but none of the conditions described in CEQA Guidelines Section 15162 calling for preparation of a subsequent EIR have occurred.
