APPROVAL OF MINUTES:

Street Tree Subcommittee Meeting Minutes for December 8, 2009.

MOTION: Wignot moved, seconded by Messner, and carried by a 2 to 0 vote (Absent: Herrera), to approve the Street Tree Subcommittee meeting minutes for December 8, 2009, as amended.

NEW ITEMS:

- A. Discussion Regarding Penalties for Shoddy Contract Work.

Chair Messner stated that he requested a discussion regarding Penalties for Shoddy Contract Work because he saw an article in The Daily Sound on October 14, 2009, regarding a process approved by the City of Santa Barbara to prevent irresponsible contractors from bidding on future projects. He noted that the City has modeled some programs after City of Santa Barbara programs.

Bill Millar, City Arborist, stated that he has noticed some situations where certain bidders have been pre-qualified. He noted that when a contract is not performed according to specifications, he has seen methods to address the situation, for example, by withholding payment to the contractor.

CONTINUED ITEMS:

- A. Discussion regarding the "Diversity of California's Urban Forests" list, and the process for adding more tree species to the Recommended Street Tree List (continued from December 8, 2009).

Bill Millar, City Arborist, stated that currently the Urban Forestry Management Plan process has circumvented work on the preparation of a spreadsheet document compiling the list of tree from the "Diversity of California's Urban Forests" for the purpose of reviewing these species.

OLD ITEMS:

- A. None.
