

**ELLWOOD MESA/SPERLING PRESERVE
NATIVE GRASSLAND RESTORATION PROJECT
COMMUNITY VOLUNTEER WEEDING DAY!!**

Come learn how to identify native grasses and wildflowers while making a contribution to Ellwood Mesa by helping us to weed out non-native plants from the native grassland restoration site.

Saturday April 10, 2010

9:30am - 12pm

Meet at the end of Coronado Drive

Directions: *Northbound on Hwy 101: exit Glen Annie Rd. turn left, make your first right on to Hollister Ave., go ~1 mile and turn left on to Coronado Dr.*

Southbound on 101: exit Winchester Canyon; turn right on Hollister Ave. for ~1 mile; turn right on Coronado Dr.

Bring hats, sunscreen, water, gloves, and weeding tools.

(We will have extra gloves and tools if you don't have your own)

Please ensure that you are in adequate physical shape to engage in this activity.
