

CLIMATE ACTION PLAN

Workshop #1 (of 2)

Please join us for a public workshop to learn about the City of Goleta's Climate Action Plan (CAP) and how the City is becoming more resource efficient.

The CAP will contain goals, measures, and strategies the City, private and public organizations, and the community can take to reduce greenhouse gas emissions (GHGs) related to:

- Renewable Energy and Energy Efficiency
- Transportation
- Water Conservation
- Recycling and Waste Management

Download CAP information at www.projectgoleta.com. For more information, contact Anne Wells at (805) 961-7500 or awells@cityofgoleta.org.

PLEASE JOIN US!

Thursday, September 19, 2013

6 - 8pm

**City Council Chambers
130 Cremona Drive**
