**Figure 3.7-1**  
**HAZARDS AND HAZARDOUS MATERIALS**

Source: The fire hazard area was mapped by the California Department of Forestry and Fire Protection (CDF). The OES presented the fire hazard area on the OES Hazard Identification and Analysis Map 916-464-1014, dated June 2001. The airport hazard zones are based on maps provided in the Santa Barbara County Airport Land Use Plan (1993). The Airport Influence Area is based on a map provided by the Santa Barbara County Association of Governments (2005).
