

CLIMATE ACTION PLAN

Workshop #2

PLEASE JOIN US!

Thursday, November 21, 2013
6 - 8pm
City Council Chambers
130 Cremona Drive

Please join us for a public workshop to learn about the City of Goleta's Climate Action Plan (CAP). A **cost-benefit analysis** of the Plan's measures will be presented for group discussion.

The CAP will contain goals, measures, and strategies the City, private and public organizations, and the community can take to reduce greenhouse gas emissions (GHGs). Sample measures include:

- Commercial/Residential Energy Efficiency Upgrades
- Increased Solar Installations
- Reduced Water Consumption
- Increased Green Building Standards

Download CAP information at www.projectgoleta.com. For more information, contact Andy Newkirk in Advance Planning at (805) 961-7546 or anewkirk@cityofgoleta.org.
